

**RESOLUTION APPROVING A
REVISED PANDEMIC RESPONSE POLICY**

WHEREAS, the COVID-19 pandemic continues through the United States, including throughout the State of Wisconsin and the City of Manitowoc; and,

WHEREAS, the City has an obligation under Wis. Stat. § 62.11(5) to act “for the health, safety, and welfare of the public” to protect residents and employees; and

WHEREAS, the City established a Pandemic Response Policy to respond to COVID-19.

WHEREAS, Human Resources Director Jessie Lillibridge recommends revisions be made to the City’s current Pandemic Response Policy, since its adoption on August 17, 2020, based on updated guidance from the CDC and Wisconsin Department of Health Services; and

WHEREAS, the Personnel Committee recommended approval of the request to revise the City’s current Pandemic Response Policy, at a meeting held on November 11, 2020.

NOW THEREFORE BE IT RESOLVED, by Mayor Justin M. Nickels and the Common Council of the City of Manitowoc to approve the attached revised Pandemic Response Policy in the event of any contagious or infectious outbreak, to ensure the continuous operation of City government and the safety of its workforce and community.

BE IT FURTHER RESOLVED that Department Heads and the Mayor are authorized to implement and enforce this revised policy by setting departmental guidelines and strict adherence to the policy.
