## Street Tree Removal Permit

The undersigned property owner of the City of Manitowoc is applying for a \$50 per tree permit for the removal of a street tree(s). Street trees are those trees growing on land located between the curb and sidewalk, right-of-way lines, boulevards and all other areas owned by the City or to which the public has free access.

The undersigned property owner agrees to abide by all policies, procedures and guidelines regarding street tree removal as set by the City of Manitowoc.

The undersigned and all their heirs, executors, administrators, assigns and agents agree to hold the City of Manitowoc, their employees, and agents harmless for any and all damages or personal injury claims occurring in connection with the above grant of permit. Further, any rights to any claims, demands, rights of causes of action, present or future, whether known, anticipated or unanticipated, resulting from or arising out of the removal of the tree(s) by the undersigned, his assigns or agents is hereby waived. The undersigned assumes any and all risks, which may arise out of or related to his actions.

Removal permits are granted only after an inspection by City of Manitowoc Parks Division forestry staff. The \$50 per tree removal permit fee will be waived if the terrace area is deemed a non-replantable space due to width, etc. by City staff or if the tree being removed is replaced with a tree on the Park Division's approved list of suggested street trees.
