Dear Mayor Nickels and Common Council:

Thank you for your service to our city.

Please do not extend the mask mandate.

Mask are very unhygienic and unhealthy to say the least. There is no science behind it to prove that they actually help prevent getting a virus if anything, they appear to have the opposite effect given the infrequency that people change out their masks and how much they are handled in the course of a day

Also know that I support the appointment of Aaron Erdmann and Gregg Wolf to the Manitowoc Library Board of Trustees.

Sincerely yours,

Janice Bauer  
Town of Manitowoc Rapids
