Subject: Two-Way Streets Intersection Modification RFP

Jacob,

Below is my proposal for the survey of the requested intersections in the City of Manitowoc per your e-mail dated 9/8/2021.

PROJECT: Topography survey of 4 intersections on N. 8th Street, N. 10th Street and N. 11th Street in the City of Manitowoc.

SCOPE: Prepare a topography survey of the project area with elevations reference to City Datum. Survey to include the location of existing features including, but not limited to pavement, sidewalk, curb & gutter, trees (over 3" in diameter), signal lights and above and below ground utilities as marked by Diggers Hotline or observed in the process of doing the survey.

SITE 1: N. 8th Street and Waldo Blvd.

COST: \$3,500.00 is the estimated cost to perform the survey.

SITE 2: N. 8th Street and Cleveland Ave.

COST: \$3,000.00 is the estimated cost to perform the survey.

SITE 3: N. 10th Street and Water Street

COST: \$3,000.00 is the estimated cost to perform the survey.

SITE 4: N. 11th Street and Menasha Ave.

COST: \$3,000.00 is the estimated cost to perform the survey.

SCHEDULE: An estimated completion date will be determined for each intersection once this proposal is accepted.

NOTE: Final cost may be subject to winter conditions at the time of the survey work, no additional charges will be made without consent of Stantec and/or the City of Manitowoc.

Please let me know if you have any questions.

Thank You,

Jeffrey A. DeZeeuw, PLS
