Subject: FW: Expression Swing Suggestion for Schuette Park

Sandy,

Please add the discussion of this to the agenda and include the email in the supporting documents. Chad and Dan, if you have any time to look into this prior to the meeting that would be great but I would not consider it a high priority at this time since I don't see this being a project for 2015.

Thank you,

Subject: Expression Swing Suggestion for Schuette Park

Hi Jason,

I called you last week regarding a playground equipment suggestion I had for Schuette Park. As the mom of a 6 year old, 2 1/2 year old, and 2 month old, I love taking my kids to different Manitowoc parks - my kids especially love Schuette Park - what kid wouldn't? I have given many under-ducks over the past 5 years, and think the Expression Swing would make swinging a lot more fun! The Expression Swing encourages face to face interaction and bonding between a parent and child or grandparent and child. Below is the link to the product on the GameTime website so you can see what the Expression Swing is all about. The website says the swing starts at \$995.

Please let me know if you need any additional information. If Schuette Park isn't the best home for this swing, I would love to see it at any park in Manitowoc!

Thank you for your consideration!
