Overall rental prices have not increased since 2006, with the exception of when Cabin 1 was built.

*Comments have been made about charging the same amount for each Open Air Shelter despite they are different sizes

*Tax will be added onto the proposed rates.

*If a renter loses all of their security deposit due to the facility being damaged or not cleaned properly or exhibits unacceptable behavior, as determined by the Director of Public Infrastructure, renter would be banned from having a facility rental for one (1) year.
