huge successes, which brought many people to our downtown area with no incidents!

The closures for both dates would involve a small portion of Quay Street from approximately 7am-10:30pm.

Also, we will again barricade & fence the area as to not allow access to unattended minors. We appreciate your consideration & support!!

\*\*\* We are also requesting to include Thursday evenings on our list this year. We would have a solo or duo act early on these evenings, playing acoustic music. The hours would be somewhere between 5:00 & 6:00pm until 8:00 or 9:00pm. It would entail one or two Thursdays a month for May thru September, weather permitting.

Again, thank you for your time & consideration
