Re: Aquatic Center Camera Upgrades

Requesting funding in the amount of \$15,000 to install new cameras to cover the warming pool and splash pad areas following the completion of the expansion. In 2022 season there were a few incidents in which camera coverage, or lack thereof, in the expansion area was problematic. We would also attempt to complete some upgrades to some old camera equipment with the goal of improving the video quality in key areas.

Respectfully,

Parks and Recreation Division
