INTRODUCTION: PURPOSE, APPLICATION AND GENERAL STATEMENT

The purpose of this manual is to provide continuity and consistency in the operations and the administration of benefits and working conditions for all employees of the City of Manitowoc (City). All employees are required to ensure that the City complies with its obligations under federal and state laws as they may be amended.

When used in the following manual, "Governing Body" shall be defined as the City of Manitowoc Common Council or the Manitowoc Public Library (MPL) Board of Trustees as applicable.

This manual is not a contract for employment. No policy, procedure, rule, or regulation in this manual is a guarantee of employment or , a guarantee of any other right or benefit.

These policies do not cover every situation which may conceivably occur, and may be modified as the need arises. Further, these policies do not supplant State or Federal law, City ordinances, or union agreements. If there is a conflict, the State or Federal law, City ordinance, or Union agreement will prevail. A copy of this Employee Policy Manual is available for review on the intranet or from the Human Resources Department.

This manual is a starting point in addressing core operating policies and procedures and, as such, is subject to change and modification with or without notice. The Governing Body has the right to application and interpretation of this policy. It is each employee's responsibility to read and become familiar with this information and to follow the policies, procedures, rules, and regulations.

No individual has the authority to alter or modify this policy manual, create a contract, or enter into an agreement whether in written, oral, or implied form that is in conflict with this policy manual. Any and all modifications and/or exceptions to this policy must be by official action of the Governing Body.

~~DISCLAIMER This Employee Policy Manual has been prepared for informational purposes only. None of the statements, policies, procedures, rules, or regulations contained herein constitutes a guarantee of employment, a guarantee of any other right or benefit, or a contract of employment, expressed or implied.~~

ARTICLE 1: THE ROLE OF MANAGEMENT

Certain rights and responsibilities are imposed by state and federal laws and regulations. Many of these rights and responsibilities have implications for policies and procedures governing employment. For this reason, management reserves any and all management rights regarding employees' employment status.

Management, for the purpose of this Employee Policy Manual, is defined as the respective Department Head and/or their designee.

The role of management includes, but is not limited to, the right to:

- A) Manage and direct employees;

- B) Hire, promote, schedule, transfer and assign employees;
- C) Lay-off and recall employees;
- D) Discharge employees or take disciplinary action;
- E) Schedule overtime as required;
- F) Develop position descriptions;
- G) Assign work duties;
- H) Introduce new or improved methods or facilities or change existing methods or facilities and;
- I) Direct all operations of the City

ARTICLE 2: EMPLOYMENT STATUS

Section 1. Definitions. All employees are “at will” employees. That is, employees have the right to terminate employment at any time, with or without notice, and for any or no reason at all. Likewise, management has the right to terminate employment at any time, with or without notice, and for any or no reason at all except for an unlawful reason.

- A. Exempt employees are typically paid on a salary basis and are not eligible to receive overtime pay in accordance with the Fair Labor Standards Act (FLSA). Employees in exempt positions regularly work in excess of 40 hours per week
- B. Nonexempt employees are paid on an hourly basis and are eligible to receive overtime pay as required by FLSA.
- C. -Regular full-time employees are those employees regularly scheduled to work a minimum of 30 hours or more weekly and maintain continuous employment status for an indefinite period of time. These employees are generally eligible for ~~the~~ full-time benefits and are subject to the terms, conditions, and limitations of each benefits program.
- D. Regular part-time employees are those employees regularly scheduled to work 29 hours or less weekly and maintain continuous employment for an indefinite period of time. These employees are eligible, on a pro rata basis, for some of the benefits offered by the company City and are subject to the terms, conditions, and limitations of each benefits program. If working 19 hours or less, employees are not eligible for benefits.
- E. Seasonal employees are those employees scheduled to work for a defined period of time under 1200 hours annually and are not eligible for benefits.

Section 2. Exempt Status. Employees who are exempt in accordance with the Fair Labor Standards Act are not eligible for overtime. If you have any questions or concerns regarding your exempt status, or you believe a deduction has been made from your pay that is inconsistent with your salaried status, you should immediately raise the matter with the ~~Director of~~ Human Resources Director, or the City Attorney, who can assist you in understanding the information that is required in order to investigate the matter.

The City is committed to investigating and resolving all complaints as promptly, but also as accurately, as possible. Consistent with the U.S. Department of Labor’s policy, any complaint will be resolved within a reasonable time, given all the facts and circumstances. If an investigation reveals that you were subjected to an improper deduction from pay, you will be reimbursed, and the City will take whatever action it deems necessary to ensure compliance with the salary basis test in the future.

ARTICLE 3: HOURS OF WORK/SCHEDULES/OVERTIME

Employees working an 8-hour shift will be granted a minimum of a 30-minute unpaid lunch period. Employees who do not have a permanent work station (ex: DPI employees in the field) may be granted a 20-minute paid lunch period in lieu of a 30-minute unpaid lunch period at management’s discretion when it is of benefit to the City.

The hours of work and lunch and/or break periods will be determined by the Department Head or designee to ensure staffing coverage is efficient, effective, and in accordance with federal and state law. Employees who are granted paid break periods may not leave the premises of the work site during those periods of time. Flexible schedules may be offered to employees at the discretion of their ~~De~~partment Head. Flexible schedules may only be considered an option if they cause no disruption in City services. Flex time must be used within the same pay week. Ex: An employee works a 10-hour day on Tuesday, so manager schedules them to leave 2 hours early on Friday. Telework may be available in certain circumstances. Please refer to the Telework Policy.

The work cycle for non-exempt sworn police officers and firefighters is on a cycle as posted on the work schedule. The workweek for all other employees is Sunday through Saturday.

Section 1. Schedule Changes. All schedule changes required by supervisors will be made as soon as practicable and before the end of the current shift for changes to the next shift start time whenever possible. Any work performed on a changed, mandated schedule with less than a three-hour notice prior to the previously scheduled start time will be paid at time and one-half for all time worked outside of the previously scheduled start and end times.

Section 2. Overtime. Management will follow a consistent system for distributing overtime (time-and-a-half) in compliance with, or at a more generous rate than, the overtime-pay provisions of the Fair Labor Standards Act. Note, selection of individuals for overtime opportunities will be based on employee qualification and capability as it relates to the duties to be performed. PTO, ~~comp time,~~ and holiday pay shall count toward weekly overtime calculation. All overtime must be approved in advance by management. Exempt employees are not eligible for overtime. There will be no pyramiding (counting the same hours against two different overtime limits) of overtime. Police Lieutenants are eligible for overtime pay after 8 hours worked in one day.

Section 3. Call-In. Employees called in with less than a 3-hour notice, will receive a minimum of two hours pay at time and one half of their regular rate of pay for all hours worked outside of their regular or changed schedule, regardless of the actual amount of time worked. In the event a call-in occurs just prior to regularly scheduled work, the employee will be paid time and one half for the amount of time to equal 2 hours, and will be paid for their entire normal shift.

Management will determine which employee(s) to call-in depending upon the nature of the work to be performed. This section does not apply to Library employees or seasonal employees.

Hours paid at a premium shall not be used to calculate overtime (pyramiding).

Section 4. Compensatory Time. Compensatory time for additional hours worked may be accrued to a maximum of 40 hours (240 hours for Police Lieutenants) by mutual agreement of management and the employee in advance of performance of the work. Managers must determine whether to approve accrual of compensatory time based on scheduling needs and budget availability. Compensatory time will be credited at the equivalent rate of overtime when appropriate. The use of compensatory time will be by mutual agreement between management and the employee, and will not unduly disrupt the operations of the department. Every effort must be made to use all compensatory time prior to the last full pay period of the year. ~~##~~If compensatory time is not able to be used by the end of the last full pay period of the year, it will be paid out on the final paycheck of the year (except for Police Lieutenants). An employee may request the payout of compensatory time during any payroll period for payment on the next payroll check, upon written request to Payroll. There will be no compensatory time for exempt employees.

Section 5. Attendance. Regular attendance and punctuality ~~are~~is a business necessityies and ~~are~~is expected of all employees. An employee who is not able to report to work as scheduled due to illness or emergency, must notify their supervisor as soon as possible prior to the scheduled start time.

The identification badge will be for identification purposes only and will not allow entrance to controlled facilities. Access ID Badges will be issued to employees who need entrance to certain City facilities. All City of Manitowoc employees are required to wear badges at all times while conducting business on behalf of the City of Manitowoc. The City of Manitowoc Identification Badge Program is administered and maintained through the City of Manitowoc Human Resources Department.~~

All identification badges will have a consistent logo and format approved by the Mayor's office. Badges are to be worn ~~with City provided lanyards or clips~~ in a way that does not create a safety hazard for the employee. Identification badges should be displayed and must be in plain sight, not obstructed by clothing. No alterations or defacement of the badge will be allowed. If the employee desires to use a clip or lanyard other than the standard provided by the City, these must be approved for use by the employee's supervisor prior to usage and purchased at the Employee's own expense.

It is an expectation thate employees properly wears their badge while conducting business on behalf of the City. Neglecting to properly display the badge as instructed or repeated issuance of replacement badges may lead to progressive disciplinary measures. Exemptions to this policy may be granted if the wearing of the identification badge creates a safety hazard. An exemption may only be granted by the Department Head in consultation with Human Resources.

Badges must be returned to the Human Resources Department upon separation of employment. Any questions pertaining to Identification Badge Procedures should immediately be addressed with the department manager or Human Resources department.

~~Care and Replacement of Identification Badges:~~

Mileage incurred should be logged providing the date, destination, and business purpose of the travel. The expectation is that logs are to be provided to the Finance Department on a monthly basis (by the end of the 5th working day of the following month) and if no log is provided, or any balance of allowance not used for official travel purposes remains, the amount remaining will be added to the employees 2nd payroll of the month following the month for which the allowance was paid ~~and will be considered~~ as taxable income.

- The training is directly related to the employee's job; and
- The employee is performing productive work while attending the training program.

Out of town travel is covered by two sets of rules, depending on whether the assignment is for one day or requires an overnight stay:

- Travel time to a one-day program in another city: All hours spent traveling are considered hours worked, except for the time the employee would normally spend commuting to and from the regular worksite.

- Travel time to a program involving an overnight stay: Time spent traveling to/from the destination is counted as hours worked. Managers are encouraged to be flexible with schedules during travel. Example: to avoid overtime, allow employees to flex time or adjust hours for travel days. Any time spent driving is compensable.
- Employees will work with managers to minimize overtime when being granted the privilege of traveling for training opportunities. Employees who are unwilling to flex their schedules in this fashion will not be approved for travel.

Section 3. Extended Leave Banks.

- A) Use. Employees will be provided with extended leave banks to address their own personal health care needs or the health care needs of a spouse or an immediate family member who resides primarily with and is primarily dependent on the employee for care and support. If an employee is absent for four or more consecutive days, extended leave may be used for the fourth day and any subsequent consecutive days. Other paid leave may be used for the first three days. Extended leave may be used for absences which qualify as federal and/or state Family and Medical Leave Act protection. All use of extended leave is subject to verification and the City reserves the right to request a doctor's slip for any extended leave request.
- B) Extended Leave Bank Accrual. Employees will be granted 10 days of extended leave per calendar year. Employees hired after January 1 will be granted extended leave on a pro-rata basis the first year of employment. Unused extended leave will be placed in a "bank" which will be available to the employee for future use, until such time as the "bank" has a maximum accumulated total of 10 weeks of paid time off (e.g. 400 hours for full-time, 40 hour per week employees). There will be no accrual of extended leave in this bank beyond 10 weeks of leave. Unused extended leave in this bank will be cancelled upon termination (e.g. resignation, retirement, layoff, death, dismissal) and no payment will be made.
- C) Old Sick Leave Bank Employees who have an accrued sick leave balance will have that balance placed in a separate account for future use and/or payout upon layoff, retirement or death. The balance in this account may not exceed 960 hours. This accrued sick leave may be paid out in whole or in part at any time prior to layoff, retirement or death at the sole discretion of the Common Council. There will be no future accrual added to this sick leave balance. Said sick leave may be used for the employee's own personal health care needs or the health care needs of a spouse or an immediate family member who resides with and is dependent on the employee for care and support. Management reserves the right to verify the use of sick leave. Employees leaving employment of the City either by choice or dismissal, shall have this sick leave balance cancelled and no payment will be made. The remaining sick leave balance will

only be paid out to the employee upon layoff, retirement (upon reaching qualified age as dictated by WRS), or death. 120 days advance written notice to Human Resources, Payroll, and the employee's direct supervisor is required for retirement to be eligible for payout. Any payout balance over \$5,000 will be placed into either a medical reimbursement account or a special pay account. A third-party representative will contact you to determine which option is selected. Sick leave credits are to be computed by dividing the annual wage or salary by 255 days in order to arrive at the daily wage or salary rate when the employee entered the employee policy manual coverage.

Section 4. Bereavement. In the event of the death of a member of an employee's immediate family, the employee will be granted up to three days of leave without loss of pay, if scheduled to work, to make necessary funeral arrangements and attend the funeral. Immediate family includes spouse, child, step-child, parent, step-parent, parent-in-law, sister, brother, sister/brother-in-law, step-sister/brother, grandparent and grandchild.

Note: A spouse's sibling's spouse is not included and a spouse's grandparent is not included.

Section 5. Jury Duty. Jury duty leave will be granted to those employees who have been summoned and are required to report to jury duty. Employees must give as much advance notice as possible of their intended absence for jury duty. When an employee is not attending jury duty during the workday, they must report to work. Employees will be compensated their regular wages for each day of jury duty served, up to a maximum of 30 calendar days per year, when scheduled to work, provided the employee remits proper verification from the bailiff and compensation received for such duty (exclusive of travel pay or actual expenses) within three days of receipt thereof. Requests for Jury Duty leave in excess of 30 calendar days may be granted by the Personnel Committee or Library Board of Trustees for Library employees. Managers are responsible for obtaining the appropriate documentation and the per diem remittance amount from employees who are using jury duty pay codes. The documentation and compensation amount must be turned in to payroll for processing.

Section 6. Military Leave of Absence. Employees taking part in a variety of military duties shall be granted the necessary leave. Employees must give their supervisor as much advance notice as possible, and if available, a copy of the military order. Employees must remit a copy of the compensation received for such duty and will then be compensated their regular wages, offset by the compensation received for duty. Managers are responsible for obtaining the appropriate documentation from employees who are using military leave pay codes and ensuring that the documentation is turned into payroll for processing. Failure to provide documentation of military pay received may delay or disqualify the employee from any future payments.

Section 7. Family Medical and Military Exigency Leave.

WISCONSIN FMLA

Any employee who has worked for more than 52 weeks and a minimum of 1,000 hours is eligible for unpaid leave under Wisconsin's Family and Medical Leave Act (§103.10, Wis. Stats.). However, the employee may, but is not required to, substitute definite and quantifiable paid leave benefits for unpaid leaves under the state law (e.g., paid vacation). Employees who have elected Short-Term Disability

Insurance will be covered while on Wisconsin FMLA. The use of such leave will only be allowed in accordance with the applicable collective bargaining agreement in place, or the Employee Policy Manual when there is no collective bargaining agreement which addresses the issue.

The amount of unpaid leave available in a calendar year pursuant to Wisconsin's law is presently as follows:

A. Family Leave

1. Up to a maximum of six weeks per 12-month period for the birth or adoption of a child. The leave must begin no earlier than 16 weeks before estimated birth or placement and no later than 16 weeks after birth date or placement of the child.
2. Up to a maximum of two weeks leave per 12-month period to care for a child, spouse, parent, or parent-in-law who has a serious health condition.

Total maximum time for #1 and #2 is eight (8) weeks per twelve (12) month period.

B. Medical Leave

1. A maximum of two weeks per 12-month period for the employee's serious health condition.

[NOTE: "Serious health condition" means a disabling physical or mental illness, injury, impairment, or condition which requires inpatient care in a hospital, nursing home or hospice, or outpatient care that requires continuing treatment or supervision by a health care provider.]

FEDERAL FMLA

Any employee who has worked for more than 12 months and a minimum of 1,250 hours is eligible for unpaid leave under the Federal Family and Medical Leave Act of 1993. An employee will be required to substitute definite and certain allowable paid leave benefits for unpaid leave. However, if an employee has elected Short-Term Disability Insurance, they will not be required to substitute paid leave while covered under Short-Term Disability. The use of such leave will only be allowed in accordance with the applicable collective bargaining agreement in place, or the Employee Policy Manual when there is no collective bargaining agreement which addresses the issue.

The federal law provides 12 weeks of unpaid leave during a 12-month period (calendar year) for any covered purpose, which are:

- a. The birth and first year care of a child or a child who has been placed with the employee for adoption or foster care.
- b. To care for a child, spouse or parent who is suffering from a serious health condition.
- c. For a serious health condition of the employee that makes the employee unable to perform their job duties.

- d. Because of a qualifying exigency arising out of the fact that the employee's spouse, child, or parent is on covered active duty or call to covered active duty as a member of the Armed Forces, National Guard, or Reserves.

The federal law also provides for 26 weeks of unpaid leave during a single 12-month period in the case of covered service member caregiver leave because the employee is the spouse, child, parent or next of kin of a covered service member with a serious injury or illness. This 12-month period begins on the first day the eligible employee takes leave for this purpose.

[NOTE: A "serious health condition" is an illness, injury, impairment, or physical or mental condition that involves either an overnight stay in a medical care facility, or continuing treatment by a health care provider for a condition that either prevents the employee from performing the functions of the employee's job, or prevents the qualified family member from participating in school or other daily activities. Subject to certain conditions, the continuing treatment requirement may be met by a period of incapacity of more than 3 consecutive calendar days combined with at least two visits to a health care provider or one visit and a regimen of continuing treatment, or incapacity due to pregnancy, or incapacity due to a chronic condition. Other conditions may meet the definition of continuing treatment.]

Note, any Worker's Compensation time off will calculate concurrent with FMLA time off.

INTERMITTENT LEAVE

Under some circumstances, employees may take FMLA leave on an intermittent basis. Intermittent leave may be taken in the smallest increment allowed by the City for any other type of leave.

- a. Federal leave based on a birth or child placement may only be taken intermittently on a reduced leave schedule if the Department Head agrees;
- b. State family leave for birth/placement or care of a child, spouse, parent or parent-in-law with a serious health condition may be taken as partial absences from employment if scheduled so as not to unduly disrupt the City's operations.
- c. Federal leave based on a serious health condition of an employee, employee's child, spouse or parent may only be taken intermittently or on a reduced-leave schedule when medically necessary, unless the Department Head agrees otherwise.
- d. Federal leave due to a qualifying exigency may be taken on an intermittent basis as needed.
- e. State medical leave for self may be taken in non-continuous increments as medically necessary.
- f. Leaves will be granted in hourly increments or less as may be specified in policies or labor agreements. If it is physically impossible for an employee using intermittent leave to commence or end work midway through a shift, the entire time the employee is forced to be absent shall be designated as FMLA leave.

- g. Employees shall make a reasonable effort to schedule medical treatments so they do not unduly disrupt current operations and they shall provide the City with reasonable advance notice.

Note, any Worker's Compensation time off will calculate concurrent with FMLA time off.

BENEFITS WHILE ON FMLA

The City is required to maintain group health insurance coverage for an employee on FMLA leave whenever such insurance was provided before the leave was taken and on the same terms as if the employee had continued to work. If applicable, arrangements will need to be made for employees to pay their share of health insurance premiums while on leave. If applicable, in addition to paying their portion of health insurance premiums, employees shall be required to pay the full cost of continuing their life insurance, disability insurance, etc. during leave. If an employee fails to return to work for a reason other than the serious health condition of the employee or the employee's immediate family member, or other reason beyond the employee's control, the employee will be required to reimburse the City for the employee's cost of these benefits while the employee was on unpaid leave. Employees on FMLA will continue to accrue leave.

FMLA NOTICES

Both state and federal law provide that the employee requesting family and medical leave has an obligation to provide reasonable advance notice to management, when practicable, of the nature and extent of any leave requested. In any event, employees will always have a duty to cooperate with management in arranging and processing leave requests under the state and federal laws to avoid undue disruption of the City's operations. The City requests that 30 days advance notice be provided whenever possible.

To receive FMLA leave, an employee must complete an FMLA leave request form. If an employee is unable to do so because the need for leave was not foreseeable, a request may be made verbally. Supervisors are not to discuss medical conditions or leave requests with employees, but are to forward them to Human Resources. Human Resources shall evaluate the request and provide a response to the employee approving or denying the request and providing the employee with a "Notice of Eligibility and Rights & Responsibilities (Family and Medical Leave Act)" and a "Designation Notice (Family and Medical Leave Act)" within five (5) business days, absent extenuating circumstances, of the employee's request. If Human Resources needs additional information to determine whether a leave is being taken for an FMLA-qualifying reason, Human Resources may wait until it has received the requested information from the employee and then notify the employee whether the leave will be designated as FMLA leave with the "Designation Notice" within five (5) business days, absent extenuating circumstances, after obtaining the information.

All qualifying leave will be designated as FMLA when appropriate.

The City may require employees to provide medical certification supporting the need for leave due to a serious health condition, second or third medical opinions (at the City's expense), periodic recertification, and periodic reports during FMLA leave regarding the employee's status and intent to

return to work. A medical certification form must be presented by the employee within fifteen days of being asked to do so by the City. A return to work form from a physician will, in most cases, be required in the case of an employee's serious illness, injury, work-related injury (worker's compensation) or illness which has caused a prolonged absence from work, or if the employee's supervisor reasonably determines for the sake of safety that a medical authorization is advisable.

The City may require an employee seeking FMLA leave due to a qualifying exigency to submit a certification. The City may require an employee seeking FMLA leave due to a serious injury or illness of a covered service member to submit a certification providing sufficient facts to support the request for leave.

PAYROLL REPORTING - FMLA

All qualifying leave must be recorded as FMLA for payroll time reporting purposes.

UPON RETURN TO WORK

Upon return from FMLA leave, an employee must be restored to the employee's original job, or to an equivalent job with equivalent pay, benefits, and other terms and conditions of employment. FMLA leaves shall not be counted as absences for disciplinary purposes.

CONFORM WITH EXISTING LAWS

This policy does not provide any further benefits than those provided by the family and medical leave laws. Any change in the law will impact upon the operation of this policy by modifying its provisions to conform to the law.

Section 8. Voting Leave. Employees will be allowed to use available paid leave to vote during work hours.

ARTICLE 10: UNPAID LEAVE

Requests for unpaid leaves of absence for up to seven calendar days, for justifiable and necessary medical or personal reasons may be granted at the discretion of the Department Head for all employees who have worked for the City at least 90 days. Employees with at least 90 days of employment with the City may submit requests for unpaid leaves of absence greater than seven calendar days to the Personnel Committee, or the Board of Trustees for Library employees, for approval. Please note that this section refers to unpaid leave outside of what is available under the FMLA policy (refer to Article (9)). Unpaid leave of absence will not exceed 30 calendar days without re-approval by the Personnel Committee or Library Board of Trustees. Unpaid leave extending beyond 30 days may cause loss of benefit eligibility. Employees who do not return from leave may be terminated. Unpaid leaves of absence granted for more than seven calendar days will cause the proration of benefits with credit for hours worked, if applicable, during such leave. All available leave must be exhausted before the use of unpaid leave. However, if an employee has elected Short-Term Disability Insurance, they will not be required to exhaust paid leave while covered under Short-Term Disability. Employees on unpaid leave will have no leave accruals during the leave period. However, an employee will continue to accrue leave while on Short-Term Disability.

ARTICLE 11: EMERGENCY CONDITIONS

Library employees see Addendum "B"

In the event of the closing of a City worksite, information will be made available through the local radio stations, the cable channel and the City web-site. Conditions affecting only the ability to commute will generally not be considered a reason for closing a facility. Employees who do not report to work or leave the worksite early out of concern for personal safety, will generally be given the option of using unpaid time or Personal Time Off. For positions that allow, the option to telework may be granted per the City's Telework policy.

In order to maintain safety for employees and the general public, the Mayor has the sole discretion to close any City building or individual City Department in the event of emergency conditions or hazardous weather. If the Mayor makes such an order, Department Heads are responsible for communicating with their staff and designating which staff must report and which staff ~~is~~ are eligible for telework. If any employee is required to stay home under this order and is not eligible for telework, they will receive pay for the time they would have worked that day.

ARTICLE 12: BENEFITS

Section 1. Health & Dental Insurance. Those employees who qualify for the City's health plan (refer to Article 2) will be offered coverage with the City paying 87.5% and the employee paying 12.5% of the premium. Employees who qualify for the dental plan shall receive \$14.08/per month toward a single dental plan and \$32.52/per month toward a family dental plan, except the Police Chief, Assistant Chief, Deputy Chief, Captains, and Lieutenants who follow the Police Patrol Union Contract premium shares. All separating employees (by termination, resignation, or retirement) are eligible to remain on the City plan until the last day of the month in which they terminate their employment.

City retirees can continue coverage in both plans, in accordance with the plan documents, with the retiree paying 100% of the published premium for retirees. Retirees may continue on the health plan until they are eligible for Medicare benefits. Retirees may remain on the dental plan until they choose to cancel coverage. Retirees are responsible for completing open enrollment paperwork each year to remain on each plan. If a retiree drops coverage at any time, they are ineligible to re-enroll in the plan.

The current plan, as determined by the Common Council, will be offered to all qualifying employees. Commencement of health insurance coverage is contained within the health plan document.

The employee share of the premium will be paid through payroll deduction twice per month. Premiums are deducted one month prior to the month of coverage. Employees who change their benefit status due to a qualified life changing event may have their premiums prorated from the effective date of change through the end of the month in which coverage took effect.

Per Resolution 661 (11.28.2007), the Municipal Judge is eligible for coverage under the health plan. The City shall pay 40% toward the premium for the Municipal Judge.

~~For the DPI employees electing coverage through Central States, the City's maximum contribution to the premium will be limited to the amount of what the City's contribution would be toward the City's health plan. If tiered plans are available under this plan, the maximum premium contribution will mirror the comparable tier of the City plan.~~ Employees choosing to enroll in a separate plan agree that the City is not responsible for administration of the plan or for answering any questions regarding the plan. The

City will not contribute premiums to a plan where the coverage is not contingent on the employee's status as a City employee. The City will not contribute towards the premium of an employee's spousal plan or a plan through the marketplace.

Section 2. Vision Insurance. Eligible employees may participate in vision insurance coverage. One hundred percent of premium costs are paid by the employee. Retirees may continue on the vision plan until they choose to cancel coverage. Retirees are responsible for completing open enrollment paperwork each year to remain on the plan.

Section 3. Life Insurance. Eligible employees may participate in life insurance made available through the Wisconsin Retirement System in the amount of their annual salary rolled up to the next \$1,000. The employee will pay the first month's premium with the City paying the remainder annually for basic coverage. Additional life insurance is available at the employee's sole expense. Detailed information is available in the Payroll Department.

Section 4. Flexible Spending Plan. In accordance with Section 125 of the Internal Revenue Code, the City offers a flexible spending plan. Detailed information is available in the Payroll Department.

Employees, except the Police Chief, Assistant Chief, Deputy Chief, Captains, and Lieutenants who follow the Police Patrol Union Contract employee pension contribution percentage, will follow the State's recommendation for deduction amount. Employee contributions are pre-tax.

~~Protective services employees hired after July 1, 2011, will contribute (as of the date of expiration of the current collective bargaining agreement) the employee share of the required contribution as established by the Wisconsin Retirement System.~~

Section 7. COBRA. The level of benefits offered to those who qualify for coverage will be offered as determined by applicable state and federal regulations.

Under state law and the Federal Consolidated Omnibus Budget Reconciliation Act of 1985 ("COBRA") and subsequent amendments to the Act, employees covered under the group health care plan are eligible for continuation of health care coverage under the group plan upon the employee's termination (except for gross misconduct) or reduction in hours. COBRA regulations also allow the employee's spouse and covered dependents to elect continuation coverage upon the employee's death, divorce or legal separation, an employee's entitlement to Medicare, a dependent's loss of dependent status under family coverage, or the City's filing of a bankruptcy proceeding.

All employees, as well as their qualified dependents, will receive notice of mandated insurance continuation benefits at the time of hire or whenever the plan coverage for the employee begins,

whichever is later. If a qualifying event occurs which entitles the employee and/or qualified dependents to continuation coverage, the plan administrator will notify the qualified beneficiaries of their right to elect continuation coverage. Continued participation is solely at the participant's expense.

Section 8. Influenza Immunizations. The City will provide an influenza immunization clinic annually by the City's choice of vendor. The cost of the immunization will be shared equally by the employee and the City if the employee is not on the City's Health Plan.

ARTICLE 13: CHAIN OF COMMAND

Should an employee have concerns regarding the activities of others not specifically addressed in a policy, the chain of command should be followed. The organizational chain of command begins with an employee's immediate supervisor. Areas of concern should initially be addressed with the direct supervisor. If the employee has concerns they feel are not appropriately addressed by the supervisor, the employee may then discuss the concerns with the employee's Department Head. Should the employee not be satisfied with the outcome of the discussion with the Department Head, the employee may then address the issue with the Mayor. Following addressing concerns with the Mayor, the employee may present their concerns to the appropriate department's Oversight Committee. For library employees, after speaking to Department Head, if not satisfied they should present their concerns to the Library Board of Trustees.

ARTICLE 14: PERFORMANCE MANAGEMENT AND COMPENSATION

Section 1. Evaluation Process

Employee work performance will be reviewed on an annual basis by the employee's immediate supervisor. Performance Evaluations may be considered in decisions affecting placement, salary adjustment, overtime assignments, promotions, transfers, demotions, corrective action or dismissal, re-employment and training.

It is the policy of the City of Manitowoc to administer a Performance Management Program which will: help assess an employee's work performance and effectiveness; allow the employee and supervisor to set relevant goals; objectively review goals; suggest constructive action for improvement; suggest action for employee development; provide positive feedback in areas of excellence; and determine compensation.

The Performance Evaluation process will be completed electronically and will consist of: a mid-year evaluation/check-in during the month of March, due on April 1 annually; and an annual evaluation in October, due November 15 annually. The evaluation year will run from October 1 through September 30. All pay increases will be given on the first payroll of January on an annual basis.

New employee evaluations will be scheduled as follows:

Annual evaluations:

- Employees hired between January and June are initially evaluated in the year they are hired.

- Employees hired between July and December are initially evaluated in the year following their hire.

Mid-year evaluations:

- Employees hired between January and November are initially evaluated the year following their hire.
- Employees hired in December are initially evaluated in the 2nd year following their hire.

Note: Managers may decide to do either a 90-day check-in or a mid-year for employees hired in November and December.

Performance levels will be as follows:

- **Exceptional Performance:** Employee consistently exceeds successful performance in overall job performance, competencies, and goals, and/or makes a significant contribution within a Department or the City, such as improving processes, increasing efficiencies, exhibiting innovation, or taking initiative.
- **Successful Performance:** Employee consistently performs at an acceptable level in overall job performance, competencies, and goals.
- **Developing/In Process:** Employee demonstrates successful performance in some areas and is making acceptable progress towards overall job performance, competencies, and goals in a new or transitioning role. Examples are employees who are newly hired after July 1, new managers, in a new role, making progress, in a transitional time, needing to get to Successful Performance. This does not include an employee on a performance improvement plan.
- **Inconsistent Performance:** Employee fails to meet successful performance in one or more areas related to job performance and/or competencies that negatively impact the Department or City. Employees on a performance improvement plan would fall into this category. Supervisors giving this rating to employees should develop an action plan or performance improvement plan, which includes periodic reviews until the employee has reached an acceptable rating.

In order to maintain consistency in the process, any evaluation with an overall Performance Level of Exceptional Performance or Inconsistent Performance will be vetted by the MLC (Department Heads) through a voting process prior to the evaluation meeting with the employee (this does not apply to a Department Head, as the Mayor/Library Board will have final authority on these overall evaluation levels). Should an employee disagree with their overall performance rating, they may address a written request for a review to MLC (Department Heads). These requests should be sent to the Mayor's office. MLC will make the final determination on whether to review the appeal and whether to change the overall evaluation level.

Each employee will be evaluated on the following competencies:

- Communication/Customer Service
- Professionalism/Leadership
- Productivity, Teamwork, Attendance
- Following Policies/Procedures

- Job Knowledge

Employees and Supervisors should refer to the examples of Performance Standards available for each Competency. Any employee receiving one or more Inconsistent Performance ratings in their Competencies will receive an overall annual rating of Inconsistent Performance.

Each employee will be required to have at least one SMART goal each year. The intent of goals is to support development of future work skills and knowledge, and/or further development of the Department. Receiving an incomplete evaluation in your goals will not necessarily affect your overall performance level. Employees will work with their direct supervisor to jointly develop goals for the following year. Both the supervisor and the employee should contribute ideas for the goals.

The evaluation process will include the opportunity for the supervisors and employees to discuss Career/Succession planning (optional) and also, to review the employee's current job description (mandatory) in order to provide any revisions.

Each supervisor will determine an overall performance level for each employee. All evaluation ratings should be discussed with the appropriate Department Head. If an employee receives an Inconsistent or Exceptional rating and the Department Head concurs with this rating, the Department Head will be required to bring that request/justification to the MLC (Department Heads) for final vetting. This will allow for more consistency in evaluations amongst the departments.

Evaluation meetings shall be held with employees during the month of October. Supervisors should first schedule evaluation meetings with employees who are receiving Successful ratings. Meetings with any employees, who are receiving an Inconsistent or Exceptional rating, shall not be held until after the evaluation rating has been approved by the MLC (Department Heads). The appropriate Oversight Committee Chair will attend Department Head evaluations.

Any Supervisor or Department Head who does not complete reviews by the assigned deadline (November 15) will receive an overall Inconsistent Performance level. Exceptions to the deadline must be approved by HR Director and Department Head. Employees who do not receive evaluations due to neglect of Supervisor will receive the overall level as determined during self-evaluation, to be vetted by MLC (Department Heads) with final determination after a voting process.

The MLC (Department Heads) will set aside time blocks at the end of each October-beginning of November for vetting/reviews of evaluations brought forward by Department Heads with ratings of Inconsistent or Exceptional.

Department Heads will report the final determination of the MLC (Department Heads) to the appropriate Supervisors and evaluation meetings shall then be held with the remainder of their employees.

Section 2. Compensation Plan

Our compensation plan is comprised of salary grades into which each Job Position in the City has been assigned (see Addendum "A"). As positions substantially change in responsibility, a compensation review shall be conducted to ensure proper pay grade placement based on new job responsibilities.

The HR Director will work with the Department Heads to determine if a position has changed substantially, collect revised job documentation noting the changes, and determine whether the changes warrant review.

Similarly, all newly created positions will be reviewed and analyzed for grade placement in the pay structure. The HR Director will partner with each Department Head in creating a detailed job description and it will be sent to a compensation consultant for evaluation.

The plan also consists of the following rates:

- Market Rate – this rate will be adjusted annually based on the Wisconsin Fox Valley-Northeast Region market data received from the Wage Survey Report, and separately for exempt and non-exempt employees.
- Hire Rate – 12.5% below Market Rate
- Max Rate – 12.5% above Market Rate

Exempt and Non-exempt employees are separated in order to keep the plans competitive within the market and to allow for adjustments to the Exempt schedule to account for compression. A formal market analysis will be conducted every 5 years via contracted compensation professional to ensure our plan remains competitive with the market.

After the Wage Survey Report is received each year, the Market Rate of the compensation plan will be adjusted accordingly based on the actual structural increase of the previous year for Exempt and Non-exempt employees in the Wisconsin Fox Valley-Northeast Region. These amounts will be reported to the Personnel Committee annually. [School Crossing Guard rates will follow the rates set forth by the 2017 budget.](#)

Employees will be placed into the compensation plan as follows:

- Newly hired employees may be hired up to Market Rate, with the documented approval of the Department Head and Human Resources Director.
- Employees who are promoted will start at either the Hire Rate for the new position or a 5% increase to current [position's base](#) salary, whichever is greater.
 - The HR Director and Department Head have discretion to approve up to the Market Rate, or up to a 10% increase, depending on employee's current position on the compensation table. Approval will be documented.
 - Any increase beyond this requires the documented approval of the Human Resources Director, Department Head, and Mayor, or [MPL](#) Library Board for Library employees.
 - Employees promoted between January and June, will receive the increase the following January based on the new rate of pay. Those promoted between July and December will receive the January increase based on the former rate of pay (prior to promotion).
- Employees who are demoted will decrease to the appropriate grade within the pay scale. The [Human Resources](#) Director and Department Head will evaluate where on the grade to place the employee as each situation will be unique.
- Lateral transfers in the same pay grade will result in no change in compensation.

The plan will be informally re-evaluated occasionally to ensure the plan is maintaining effectiveness, addressing compression, and remaining competitive.

Section 3. Compensation Guidelines

Compensation increases will be determined based on the performance level achieved during the performance evaluation. For both Exempt and Non-Exempt employees, the increases will be given annually in January as follows:

	Inconsistent	Developing/In process	Successful	Exceptional
<i>Between Hire and Market Rate</i>	No increase	Market adjustment	2.5% increase	2.5% + 1.0%
<i>Market Rate and above</i>	No increase	Market adjustment	Market adjustment	Market adjustment + 2.0%
<i>New Hires – Hired between Jan and Jun</i>	No increase	Market adjustment	2.5% increase	2.5% + 1.0%
<i>New Hires – Hired between Jul and Dec</i>	No increase	Market adjustment	Market adjustment	Market adjustment

Increases in first calendar year of employment (previously anniversary increases) will be as follows:

- Employees hired between January and June eligible for increase based on performance (2.5% for Successful, +1% for Exceptional).
- Employees hired between July and December eligible for market adjustment based on supervisor’s recommendation.

Department Heads will determine whether employees in certain non-represented positions (ex: RWAM Art Instructor, RWAM Visitor Services Clerk, School Crossing Guard) are eligible for pay increases each year. These positions are not subject to performance evaluations.

All compensation increases will be given annually on the first payroll in January.

(i) **Retirees.** Any participating employee of the group medical coverage may elect to continue to be covered as part of the group under the rules of the plan until reaching the age of 65. This benefit is designed to provide coverage for employees forced to retire under disability provisions of Chapter 62.13 and the Wisconsin Retirement Fund.

An employee forfeits and waives all benefits under this provision if they become covered by any other group health insurance plan. Coverage under this plan will cease when the employee reaches the age of 65.

c) **Disability.** In the case of the Fire Chief and Deputy Fire Chief(s), in the event of duty-incurred total disability or death of an employee, the employee or, in the case of the employee's death, then their estate, shall be paid in one lump sum, one (1) year's regular pay at the rate in effect at the death or the commencement of the state life insurance, or any other benefits to which said employee or their estate is entitled, by virtue of this Agreement or their employment. Stat., special disability or death benefits to an employee or their spouse, whether based on the operation of Section 891.45, Wis. Stat., or on other

~~d) Clothing Allowance. In the case of the Fire Chief and Deputy Fire Chief(s), the City agrees to pay Five hundred dollars (\$500.00) annually toward a clothing allowance. Payment shall be made during the year in hourly installments of \$0.24 through payroll.~~

The term, "total and permanent disability" shall mean the total and permanent disability entitling the employee to total and permanent disability benefits from social security. Any amounts paid under subparagraph 1 of this paragraph (b) shall be deducted from any payment made under this subparagraph.

ARTICLE 15: FORMAL DISCIPLINE

Disciplinary action against employees may be taken for violations of standards of conduct, violations of policies and procedures, or for unsatisfactory work performance. Disciplinary action will only be taken after a full investigation and after giving the employee an opportunity to respond to any and all allegations.

The level of discipline imposed will take into consideration the seriousness of the infraction as well as the employee's performance record. When appropriate, discipline will be corrective in nature. At management's sole discretion, various types of employee discipline may be imposed which include, but are not limited to, the following: documented verbal warning, written warning or suspension. None of these disciplinary measures are required to be used before discharge from employment occurs nor are

the listed disciplinary actions required to be used in any specific order. Management may repeat disciplinary action.

Employees are expected to work in a competent and conscientious manner which reflects favorably upon the employee and the City. The following is a list of examples of behavior which would normally justify disciplinary action:-

- A) Fraud in securing employment
- B) Incompetency
- C) Inefficiency
- D) Unauthorized absences
- E) Repeated absence or tardiness or improper use of leave
- F) Neglect of duty
- G) Insubordination or willful misconduct
- H) Dishonesty
- I) Assuming duties with controlled substances, alcohol, or intoxicants in your system; or possession or use of alcohol, intoxicants or controlled substances during working hours
- J) Conviction of a felony or misdemeanor, the circumstances of which are substantially related to the duties performed
- K) Negligence or willful damage to property
- L) Discourteous treatment of the public or fellow employees
- M) Failure to obtain and maintain a current license or certification as required by law or the City
- N) Failure to maintain effective working relationships with other employees or the public
- O) Sexual or other unlawful harassment
- P) Workplace violence
- Q) Violation of any lawful order, directive, policy, or work rule

The offenses listed above are not intended to be all-inclusive, and discipline or discharge may occur for any other reason depending upon the seriousness of the offense and the particular circumstances involved.

All discipline will be documented with a copy provided to the employee and a copy placed in the employee's personnel file. The employee has a right to attach their comments to the documented discipline and may have a right to the appeal process as detailed in the "City of Manitowoc Grievance Procedure for Employee Terminations, Discipline and Workplace Safety Procedure (see Addendum C).

ARTICLE 16: WORKPLACE SAFETY AND INJURIES

Any unsafe practice or condition affecting persons, property or equipment must be reported immediately to a supervisor. Should a hazardous situation exist, safety concerns take precedence over continuing operations. Refer to the City of Manitowoc Grievance Procedure for Termination, Discipline and Workplace Safety (Addendum C) as adopted by the Common Council. An employee who identifies a new way to improve workplace safety should make the recommendation known to their supervisor.

Section 1. Injury Reporting. Injuries which occur in the workplace must be reported immediately to a supervisor. Medical attention should be sought as situations dictate. The supervisor is responsible for assisting the employee in filing a City of Manitowoc Employee Injury/Illness Report Form.

Section 2. Light Duty. Light duty assignments will be made available for an employee with medical restrictions on a limited term basis when management determines such work is available.

Section 3. Worker's Compensation. Treatment for injuries which occurred at the workplace and were determined to be covered by worker's compensation should be communicated to human resources, and department management, ~~and the City Worker's Compensation insurance carrier.~~

Worker's compensation treatment appointments must be scheduled outside of work hours whenever possible.

- If an employee is unable to schedule outside of work hours due to lack of availability of appointments, pre-approval from the Department Head is required to attend during scheduled work time, and to use Extended Leave. Note: This option is limited to those times that no appointments are available outside of work hours.
- If an employee chooses to make appointments during the workday, they will not be compensated for this time, however, they may choose to substitute paid leave or use flex time to attend appointments with prior approval from their supervisor.

ARTICLE 17: DEPARTMENTAL WORK RULES

Management may impose department specific work rules in addition to those listed in this Policy.

ARTICLE 18: DRIVER'S LICENSE/VEHICLE REQUIREMENTS

Employees who are required to drive vehicles as a function of their position must possess a valid driver's license with all required endorsements. The City is not required to find alternative work for an employee who does not maintain the appropriate licensure. Employee's using their own vehicle for City business are required to carry auto insurance as required by the State of Wisconsin. An employee who drives either a City vehicle or their own vehicle to perform the functions of their position, must immediately report any traffic citation received to their immediate supervisor.

ARTICLE 19: PERSONAL APPEARANCE

Library employees see Addendum "B"

The City of Manitowoc prides itself on a professional atmosphere and the positive image employees present as representatives of the City. Employees who work in an administrative setting may dress appropriately in business casual attire. Please note that this policy is meant to address employees who work primarily in an administrative capacity. Employees who work in the field should discuss dress code expectations with their supervisor.

Because all business casual clothing is not suitable for the office, these guidelines will help you determine what is appropriate to wear to work. Items that are not appropriate for the office are listed, too. Neither list is all-inclusive and both are open to change and interpretation by your supervisor or Department Head. The lists tell you what is generally acceptable as business casual attire, and what is generally not acceptable as business casual attire.

No dress code can cover all contingencies so employees must exert a certain amount of judgment in their choice of clothing to wear to work. If you experience uncertainty about acceptable, professional business casual attire for work, please ask your supervisor or Department Head prior to wearing the item to work, or consider that the item may not be appropriate for the workplace.

Examples of **acceptable attire Monday through Thursday** include, but are not limited to:

- Pants consisting of khaki-type pants, capris and jeans that are clean and hole- and wrinkle-free.
- Leggings, as long as the top or tunic is fingertip length.
- Business appropriate shirts/tops (ex: polo shirts, blouses, sweaters, ¼ zip pullovers of cotton or sweater material, professional sleeveless tops, cowl neck tops, etc.).
- Casual dresses or skirts with hemlines at or slightly above the top of the knee.
- Footwear consisting of loafers, boots, flats, heels, and sandals.
- City-branded apparel in good condition that complies with acceptable attire above.
- Professional association apparel (League of Wisconsin Municipalities, GFOA, Clerk's Association) that complies with acceptable attire above.

In addition to the above section, examples of **acceptable attire on Fridays** include, but are not limited to:

- Sports apparel (any Wisconsin college or professional sports team and schools within the City of Manitowoc) when approved by the Mayor or Department Head.
- Activewear ¼ zip pullovers and athletic cowl neck tops
- Sneaker/athletic shoes that are clean and in good repair

Examples of **unacceptable attire for the workplace** include, but are not limited to:

- Jeans that are excessively worn or have holes.
- Sweat pants, shorts, and spandex.
- T-shirts and sweatshirts, including hoodies.
- Shirts or dresses which are strapless, have thin straps or halter tops (unless worn under a sweater, blouse, or jacket).
- Clothing that shows the navel, excessive cleavage, or has an open back.
- Dresses or skirts that fall mid-thigh or shorter.
- Clothing with profane or political language.
- Footwear consisting of athletic sandals, crocs, and flip flops of any kind.
- Clothing with logos larger than a quarter other than those listed above.

Our goal is to provide a workplace environment that is comfortable and inclusive for all employees. Employees are expected to demonstrate good judgment and professional taste. Portraying a professional image to members of the public is a factor that should be considered when assessing whether attire is appropriate. During business hours or when representing the City, employees are expected to present a neat, clean and professional appearance and limit natural or artificial scents that could be distracting or annoying to others. Clothing shall be clean, well-maintained, and appropriate for the workplace setting and for the work being performed. Additionally, employees should consider the work meetings and events scheduled for their day when making decisions about attire. For example, consider wearing more formal attire on days that include Committee meetings or appointments with consultants or vendors.

Supervisors or Department Heads will address employees who wear attire that is inappropriate in the workplace or use fragrance inappropriately on an individual basis rather than subjecting all employees to a more stringent dress code for appropriate attire. The decision of Human Resources or a supervisor to disallow clothing is final.

Department Heads may establish specific dress code requirements for individual departments based solely on safety (allow shorts on extreme temperature days when performing non-hazardous duties). All protective clothing such as safety glasses, safety shoes, hard hats, hearing protection, etc., must be worn during required activities.

This policy does not apply to employees required to wear a uniform.

ARTICLE 20: SMOKING/TOBACCO

Smoking or tobacco use is not permitted at any time in City facilities or City owned vehicles.

ARTICLE 21: BULLETIN BOARDS

The City will keep employees informed about activities through posting on bulletin boards. The City website, specifically the Intranet and Employee Web Portal, will be used for such posting.

ARTICLE 22: ASSOCIATION ACTIVITY

Association (Union) activity should be conducted outside of the work day. The Business Manager or Staff Representative may be granted prior permission by the employee's supervisor to meet with the employee during the workday if necessary. Permission will be granted in a non-discriminatory manner.

ARTICLE 23: POLITICAL ACTIVITIES

Employees are free to engage in political activity outside of work hours. When engaging in political activity or engaging in discussion of issues of public importance, an employee is expected to ensure that their personal actions and positions are not attributed to the City. City resources may not be used for promoting a particular candidate or political party or for advocating a particular position on an issue that has become identified as the viewpoint of a particular candidate or party. City resources include office supplies, employees on City paid time, electronic equipment including e-mail, facsimile and

photocopying machines, bulletin boards and other publicly owned spaces. (Use of bulletin boards at City Hall requires authorization of the Mayor's designee and is off-limits to public use.)

Political activities must be conducted independent of your role as an employee.

ARTICLE 24: FACILITIES AND EQUIPMENT USE

Facilities and equipment owned by the City of Manitowoc are for the specific purpose of its operations when providing services as a municipal government. Personal use of facilities and equipment is strictly prohibited with the exclusions of fitness equipment, the firing range and the DPW Shop as detailed in the DPW Shop Use Policy

ARTICLE 25: GIFTS AND FAVORS

No official or employee may solicit or accept from any person or organization, directly or indirectly, anything of value that could reasonably be expected to influence their actions or judgment, or could reasonably be considered a reward for action or inaction.

ARTICLE 26: SOLICITATION

In order to maintain a work environment that protects employees from undue interference while performing their duties, employees may not orally solicit or distribute written materials for any organization, fund, activity or cause to other employees in work areas or while either employee is on working time.

ARTICLE 27: SECONDARY EMPLOYMENT

Employment with the City by full-time and part-time employees should be considered the employee's primary employment. Secondary employment with other entities must not conflict with the duties of the employee. The City has prior call upon the services of its employees regardless of any conflict with secondary employment. An employee who engages in secondary employment must clearly define themselves as an employee of the secondary employer and not act or present themselves as an employee or agent of the City. The employee may not use City resources for the purposes of their secondary employment, including City email accounts. The City may terminate the employment of an employee whose secondary employment may interfere with the performance of their work, where a conflict exists, where the interests of the City are impacted as a result of the secondary employment, or where such employment or conduct negatively affects the image of the City or employees. An employee will not be permitted to work for another employer while on a leave of absence or while absent for illness from the City. An employee who desires to hold secondary employment while employed by the City must inform Human Resources. Human Resources will inform the appropriate Department Head who may grant ~~obtain the~~ permission ~~of their Department Head~~to the employee to maintain both sources of employment. Should the employee's Department Head change, the employee must seek approval from the new Department Head. For employees working less than 20 hours per week, supervisors may allow for scheduling accommodations if possible.

ARTICLE 28: COMMUNICATIONS AND CONFIDENTIALITY

Communication is a joint responsibility shared by the City and employees. No information concerning the internal operations of the City, including, but not limited to, the release of records of the City, may occur except through, and with the permission of, the designated records custodian. Requests for information made to employees, whether on or off duty, must be referred to the records custodian. Documents which are publicly available on the City website or Granicus may be released without consulting with the record's custodian.

Because of an employee's responsibilities at the City, an employee may have access to confidential City, resident, personnel or other sensitive information. This may include, but is not limited to, information concerning a resident's financial status, the City's business practices, including purchasing and negotiating strategies and employee records. This sensitive information cannot be disclosed to any personnel who do not have a legitimate business need to know, or to such persons outside of the City unless appropriately released by the records custodian. Official City business is confidential unless the records custodian determines otherwise.

The City acknowledges the right of its employees, as citizens, to speak out on issues of public concerns. When those issues are related to the City, however, the employee's expression must be balanced against the interests of the City. In situations in which the employee is not engaged in the performance of professional duties, the employee should state clearly that their expression represents personal views and not necessarily those of the City.

ARTICLE 29: ELECTRONIC COMMUNICATION AND INFORMATION SYSTEMS POLICY

Section 1. Purpose.

The purpose of this policy is to provide guidance on the proper use of the various electronic systems and services available to employees, including but not limited to computers, email, telephones, voicemail, on-line services, social media, cameras, laptops, and the Internet. This includes the message, the identities of the sender and all recipients, the date, and any non-archived attachments to the email, as well as return receipts.

ARTICLE 30: DISCRIMINATION, HARASSMENT AND RETALIATION FREE WORKPLACE

It is the policy of the City of Manitowoc that all employees have the right to work in an environment free of all forms of harassment and retaliation. The City will not tolerate, condone, or allow harassment or retaliation by any employee or other non-employees who conduct business with the City. The City considers harassment, discrimination and retaliation of others to be forms of serious employee misconduct. As such, the City shall take direct and immediate action to prevent such behavior and to remedy all reported instances of harassment, discrimination and retaliation. A violation of this City policy can lead to discipline up to and including termination, with repeated violations, even if “minor,” resulting in greater levels of discipline as appropriate.

PROHIBITED ACTIVITY & RESPONSIBILITY

A. Sexual Harassment

Sexual harassment is defined as unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature when:

1. Submission to such conduct is made, either explicitly or implicitly, a term or condition of employment; or
2. Submission to or rejection of such conduct by an employee is used as the basis for employment decisions affecting the employee; or
3. Such conduct has the purpose or effect of unreasonably interfering with an employee’s work performance or creating an intimidating, hostile, or offensive working environment.

B. Harassment

Harassment is any verbal, written, visual or physical act that creates a hostile, intimidating or offensive work environment or interferes with an individual’s job performance.

No employee shall either explicitly or implicitly ridicule, mock, deride or belittle any person. Employees shall not make offensive or derogatory comments to any person, either directly or indirectly, based on age, ancestry, arrest & conviction record, color, creed, disability, genetic testing, honesty testing, marital status, military service, national origin, pregnancy or childbirth, race, religion, sex (including sexual harassment), sexual orientation, and use or nonuse of lawful products of the employer’s premises during non-working hours. Such harassment is a prohibited form of discrimination under state and federal employment law and/or is also considered misconduct subject to disciplinary action by the City.

C. Retaliation

1. Retaliation against any employee or applicant for filing a harassment or discrimination complaint for assisting, testifying or participating in the investigation of such a complaint, or for requesting a protected leave of absence or reasonable accommodation, is illegal and is prohibited by the City and by federal statutes.
2. Retaliation can occur from a variety of sources, including co-workers, supervisors or elected officials.
3. Generally, any materially adverse action taken against an employee or applicant “because of” protected conduct is prohibited. The scope of retaliation goes beyond workplace-related or employment-related actions and includes conduct that would dissuade a reasonable worker from making or supporting a charge of discrimination. The significance of any given act of retaliation may depend upon the particular circumstances, but must be considered “materially adverse,” thus separating significant from trivial harms that normally will not deter discrimination victims from filing a complaint. Examples of conduct that may be considered retaliation include:
 - a. Discharge
 - b. Demotion or not promoting
 - c. Reduction in pay
 - d. Reassignment of job duties
 - e. Giving a less distinguished job title
 - f. Filing false criminal charges against an employee
 - g. Significantly diminishing an employee’s responsibilities
 - h. Unwarranted negative performance evaluations (impacting promotional opportunities)
 - i. Increased scrutiny of employee’s work
 - j. Refusing to restore lost leave time
 - k. Isolation or shunning an employee
4. Complaint Procedure: Any employee who believes that they are being retaliated against shall report the incident(s) as soon as possible to their supervisor so that steps may be taken to protect the employee. Where doing so is not practical, the employee may instead file a complaint with another supervisor, Human Resources, the City Attorney, **City Administrator**, or Mayor.
5. Retaliation is a form of employee misconduct. Any evidence of retaliation shall be considered a separate violation of this policy and is subject to discipline up to and including termination.
6. Monitoring to ensure that retaliation does not occur is the responsibility of the chief executive officer, supervisors, and the appropriate internal investigative authority.

D. Covered Individuals

Individuals covered under this policy include employees, applicants for employment, volunteers, members of the public, elected officials, and appointed boards and commissions.

E. Supervisory Responsibilities

1. Each supervisor shall be responsible for preventing prohibited activities as defined above by:
 - a. Monitoring the work environment on a daily basis for signs that harassment or retaliation may be occurring;
 - b. Training and counseling all employees on what constitutes harassment, sexual harassment and retaliation, on the types of behavior prohibited by the City's policy and procedures for reporting and resolving complaints of harassment or retaliation.
 - c. Stopping any observation that may be considered harassment or retaliation, and taking appropriate steps to intervene, whether or not the involved employees are within their line of supervision; and
 - d. Taking immediate action to prevent retaliation towards the complaining party or witnesses and to eliminate the hostile work environment where there has been a complaint of harassment, pending an investigation. If a situation requires separation of the parties, care should be taken to avoid actions that appear to punish the complainant. Transfer or reassignment of any of the parties involved should be voluntary if possible and, if non-voluntary, should be temporary pending the outcome of the investigation.

F. Employee Responsibilities

1. Each employee of this agency is responsible for assisting in the prevention of harassment and retaliation through the following acts:
 - a. Refraining from participation in, or encouragement of actions that could be perceived as harassment or retaliation.
 - b. Reporting acts of harassment or retaliation to a supervisor; and
 - c. Encouraging any employee who confides that they are being harassed, discriminated or retaliated against to report these acts to a supervisor.
2. Failure of any employee to carry out the above responsibilities will be considered in any performance evaluation or promotional decisions and may be grounds for discipline.

G. Complaint Procedures

1. Any employee encountering harassment or retaliation is encouraged but not required to inform the person that their actions are unwelcome and offensive. This initial contact can be either verbal or in writing. The employee is to document all incidents of harassment and retaliation in order to provide the fullest basis for investigation.
2. Any employee who has unsuccessfully attempted to terminate the harassment or retaliation by means of Section 1 and who believes that they are being harassed shall report the incident(s) as soon as possible to their supervisor so that steps may be taken to protect the employee from further harassment or retaliation, and so that appropriate investigative and disciplinary measures may be initiated. Where doing so is not practical, the employee may instead file a complaint with another supervisor, Human Resources, the City Attorney, City Administrator or Mayor. For library employees, they may also file a complaint with the Library Director or ~~MPL~~Library Board President.
 - a. The supervisor or other person to whom a complaint is given shall meet with the employee and document the incident(s) complained of, the person(s) performing or participating in the harassment or retaliation, any witnesses to the incident(s)

and the date(s) on which it occurred.

3. An employee should utilize the City's internal reporting procedure first. However, if after utilizing this procedure the complainant does not feel the complaint has been adequately addressed, the employee may file a complaint with either or both of the following:
 - a. **State of Wisconsin – Equal Rights Division**
201 East Washington Avenue
Madison, WI 53703
Phone: 608-266-6860
 - b. **Equal Employment Opportunity Commission**
210 Martin Luther King Boulevard
Madison, WI 53703
Phone: 608-266-4910
 - c. If the employee exercises the reporting options of (a) or (b) from above, they must file a copy of the complaint with the City Attorney within 24 hours of filing the complaint.
4. The internal investigation authority shall be responsible for investigating any complaint alleging harassment, discrimination or retaliation.
 - a. The internal investigative authority shall immediately notify the chief executive officer and the City Attorney if the complaint contains evidence of criminal activity, such as battery, rape, or attempted rape.
 - b. The investigation shall include a determination as to whether other employees are being harassed or retaliated against by the person, and whether other City employees participated in or encouraged the harassment or retaliation.
 - c. The internal investigative authority shall inform the parties involved of the outcome of the investigation.
 - d. A file of harassment, discrimination and retaliation complaints shall be maintained in a secure location. The chief executive officer shall be provided with an annual summary of these complaints.
5. There shall be no retaliation against any employee for filing a harassment or discrimination complaint, or for assisting, testifying or participating in the investigation of such a complaint.
6. The complaining party's confidentiality will be maintained throughout the investigatory process to the extent practical and appropriate under the circumstances.
7. Complaints of employees accused of harassment and/or retaliation may file a grievance/appeal in accordance with City procedures when they disagree with the investigation or disposition of a harassment or retaliation claim.

H. DEFINITIONS

1. **Harassment on any basis (race, sex, age, disability etc.) exists whenever:** Submission to harassing conduct is made, either explicit or implicit, a term or condition of an individual's employment; submission to or rejection of such conduct is used as the basis for an

employment decision affecting an individual; the conduct interferes with an employee's work or creates an intimidating, hostile, or offensive work environment. Such conduct is prohibited under this policy and §111.31-111.39 Wis. Stats.

2. **Non-Verbal:** Sexually suggestive or offensive objects or pictures, inappropriate usage of voicemail, e-mail, the internet or other such sources as a means to express or obtain sexual material, comments etc., printed or written materials including offensive cartoons, suggestive or offensive sounds, whistling, catcalls or obscene gestures, any material which inappropriately raises the issues of sex or discrimination, or treating an employee differently than other employees when they have refused an offer of sexual relations.
3. **Other Forms of Harassment:** Persistent and unwelcome conduct or actions on the basis of disability, sex, arrests or conviction record, marital status, sexual orientation, membership in the military reserve, or use or nonuse of lawful products away from work is prohibited under this policy and s.111.31-111.39, Wis. Stats.
4. **Physical:** Unsolicited or unwelcome physical contact of a sexual nature, which may include touching, hugging, massages, kissing, pinching, patting, or regularly brushing against the body of another person.
5. **Retaliation (addressed under Title VII of the Civil Rights Act of 1964):** It shall be an unlawful employment practice for an employer to discriminate against any of their employees or applicants for employment, for an employment agency, or joint labor management committee controlling apprenticeship or other training or retraining, including on the job training programs, to discriminate against any individual, or for a labor organization to discriminate against any member thereof or applicant for membership, ***because they have opposed any practice made an unlawful employment practice by this subchapter, or because they have made a charge, testified, assisted, or participated in any manner in an investigation, proceeding, or hearing under this subchapter.***
6. **Unwelcome:** Sexual conduct is unwelcome whenever the person subjected to it considers it unwelcome. The conduct may be unwelcome even though the victim voluntarily engages in it to avoid adverse treatment.
7. **Verbal Harassment:** Sexual innuendoes, degrading or suggestive comments, repeated pressure for dates, jokes of a sexual nature, unwelcome sexual flirtations, degrading words used to describe an individual, obscene and/or graphic descriptions of an individual's body or threats that job, wages, assignments, promotions or working conditions could be affected if the individual does not agree to a suggested sexual relationship.

All of the laws we enforce make it illegal to fire, demote, harass, or otherwise "retaliate" against individuals (applicants or employees) because they filed a charge of discrimination, because they complained to their employer or other covered entity about discrimination on the job, or because they participated in an employment discrimination proceeding (such as an investigation or lawsuit).

For example, it is illegal for an employer to refuse to promote an employee because they filed a charge of discrimination with the EEOC, even if EEOC later determined no discrimination occurred.

Retaliation & Work Situations

The law forbids retaliation when it comes to any aspect of employment, including hiring, firing, pay, job assignments, promotions, layoff, training, fringe benefits, and any other term or condition of employment.

It is the City's policy to seek, employ and retain the most qualified personnel in all positions, to provide equal opportunity for advancement to all employees, including upgrading, promotion and training, and to administer these activities in a manner which will not discriminate against or give preference to any person because of race, color, religion, age, sex or conviction record, or any other basis protected by state or federal law. All employees are required to provide proof of identity and authorization to work in the United States. It is the policy of the City to comply with all relevant and applicable provisions of the Americans with Disabilities Act (ADA) and other laws. The City will make reasonable accommodation wherever necessary for employees or applicants with disabilities, provided the individual is otherwise qualified to safely perform the essential duties and assignments connected with the job and provided that any accommodations made do not impose an undue hardship on the City.

ARTICLE 35: BONE MARROW AND ORGAN DONATION LEAVE

Employees intending to take leave for the purpose of serving as a bone marrow or organ donor must make a reasonable effort to schedule the donation procedure so that it does not unduly disrupt the City's operations, subject to the approval of the health care provider of the bone marrow or organ donor recipient. Employees must submit a written request to their supervisor and Human Resources at least 30 days in advance of the leave when possible. In addition, the employee must submit written documentation from the health care provider to Human Resources at least 15 days prior to the commencement of the leave certifying:

- The donor recipient has a serious health condition that necessitates a bone marrow or organ transplant;
- The employee is under the health care provider's care, is eligible, and has agreed to serve as a bone marrow or organ donor for the donor recipient; and

ARTICLE 36: DONATION OF LEAVE POLICY

Section 1. General Policy

The City of Manitowoc understands the financial crisis that a serious qualifying event may cause our employees. Since employees are the City's most valuable resources, the City understands that there

are times when an employee may not have enough leave time to facilitate the necessary time off to address these issues. The following policy has been established by City leaders to provide employees a chance to donate a portion of leave time to qualified employees who need additional time off.

“Family Member” includes:

- Employee’s children (including adopted, step, and foster)
- Employee’s parents

“Recipient” is the employee requesting donated leave time.

“Donor” is the employee donating leave time.

- Employees approved for FMLA are not automatically eligible for this program. Final determination will be made by Human Resources with consideration of employee’s past leave usage.
- Only employees eligible for leave may participate in this program.

- Only employees with more than 96 hours available in their PTO bank or 12 days of vacation/sick leave balance are allowed to donate leave (pro-rated for part-time employees). No employee may donate hours that results in a balance of less than 96 hours or 12 days in available leave.
- An employee may not donate leave if they have already submitted in writing their intent to leave employment (resignation or retirement).
- Employees who are currently suspended (with or without pay) or employees who are on FMLA are prohibited from donating time.

Section 4. Procedure

When a potential Recipient signs the Request Form, they authorize the communication of the Recipient's need City-wide, according to the authorization statement.

Human Resources will send out an email to all City employees outlining the request and allow employees the option of donation leave.

Those interested in donating their leave should do so in writing, which may include email correspondence, to the Human Resources Department before the designated deadline.

All hours designated for donation will be removed from the donor's ~~sick~~ leave bank on the date of the deadline.

If the employee does not use all of the donated time, the remaining hours will be held in a "donation account" which can be then be used by other employees in future requests for donation of time.

Recipients may request, in writing, to be notified of the names of employees who donate time.

Section 5. Requirements

CITY OF MANITOWOC GRIEVANCE PROCEDURES FOR EMPLOYEE TERMINATION DISCIPLINE AND WORKPLACE SAFETY

Adopted by the Common Council on September 19, 2011

ARTICLE I **PURPOSE**

The grievance procedure is in place to provide a timely and orderly review of decisions concerning: a) employee termination b) employee discipline and c) workplace safety.

ARTICLE II **DEFINITIONS**

Section 1. **Termination:** Termination in this Procedure is the end of employment excluding layoff, transfer, demotion, lack of qualification, death, voluntary termination, job abandonment, retirement, end of employment due to a disability, and end of temporary or seasonal employment.

Section 2. **Discipline:** Discipline includes documented verbal warnings and written warnings. Discipline does not include verbal reminders. Reminders will not be subject to the grievance procedure. The purpose of reminders is to alert the employee that failure to correct the behavior may result in disciplinary action. Discipline also excludes being placed on paid administrative leave pending an internal investigation and a change in job assignment

Section 3. **Workplace Safety:** Workplace safety in this Procedure includes any practice or condition affecting the safety and/or perceived safety of persons, property or equipment, including claims of a hostile work environment.

Section 4. **Governing Body:** The governing body is the Personnel Committee of the City of Manitowoc Common Council or the Library Board of Trustees as applicable.

For purposes of this Procedure, the role of the "Impartial Hearing Officer" will be to define the issues, identify areas of agreement between the parties, identify the issues in dispute, and to hear the parties' respective arguments. The Hearing Officer will have the authority to administer oaths and issue subpoenas at the request of the parties. At the end of the hearing, the Hearing Officer will issue a written conclusion.

Each party shall bear its own costs for witnesses and all other out-of-pocket expenses, including possible attorney fees, investigation fees, preparing or presenting grievance costs. The fees of the Hearing Officer will be borne by the City. Matters related to the grievance procedure will generally be accomplished during off duty hours.

ARTICLE III
PROCEDURE FOR GRIEVANCES CONCERNING EMPLOYEE TERMINATIONS AND EMPLOYEE
DISCIPLINE

(This Procedure does not apply to sworn police officers, firefighters and transit employees. Applies to all other employees and other employees covered under a collective bargaining agreement which includes a grievance procedure until such time as the collective bargaining agreement expires):

Step 1: An earnest effort shall be made to settle the matter informally between the aggrieved employee and the employee's immediate supervisor. If the grievance is not resolved informally, it shall be reduced to writing by the employee who shall submit it to the employee's immediate supervisor with a copy to the Human Resources Department.

The written grievance shall include a detailed statement concerning the subject of the grievance, the facts upon which the grievance is based, and indicate the specific relief being sought. Form "A" as attached is the required form for use in filing a grievance related to discipline and termination.

Time Limit: If the employee does not submit a written grievance within 15 calendar days after the facts upon which the grievance is based first became known, or should have been known to the employee, the grievance will be deemed waived. The supervisor will reply in writing (Form "B") to the employee within 14 calendar days after receipt of the written grievance.

Step 2: If the grievance is not settled in Step 1, and the employee wishes to appeal the decision, the employee shall submit the written grievance to the Governing Body Chair to request a hearing before the Governing Body. The Governing Body will schedule a date to hear the grievance as presented by the grievant and the supervisor and/or ~~D~~department ~~H~~head. The Governing Body will provide a written response to the grievant and supervisor within 15 calendar days of the hearing.

Time Limit: If the employee does not submit a written grievance to the Governing Body Chair to request a hearing within 7 calendar days after receipt of the supervisor's written answer, the grievance will be deemed waived. If timely requested, the hearing will normally be scheduled within 30 calendar days of receipt of the request for hearing.

Step 3: If the supervisor or the employee wish to appeal the decision in Step 2, the employee shall submit a written request to the Governing Body Chair for a hearing before an impartial hearing officer. The Hearing Officer, appointed by the Governing Body, will assist the parties in identifying areas of agreement and areas of dispute and hear the parties' respective arguments. The Hearing Officer may require the parties to submit grievance documents and witness lists in advance of the hearing in order to expedite the hearing. The hearing will be recorded. Prior

to the hearing, the parties and the Hearing Officer may engage in conciliation meetings to resolve the dispute.

Time Limit: If the supervisor or employee does not submit a written request to the Governing Body Chair requesting a hearing before an impartial hearing officer within 7 calendar days after receipt of the Governing Body's written response, the grievance will be deemed waived. If timely requested, the hearing will normally be scheduled within 30 calendar days of receipt of the request for hearing. At the conclusion of the hearing, the Hearing Officer shall render a verbal and/or written decision indicating the reasons for one of three decisions: 1) Sustaining the discipline/termination, 2) Denying the discipline/ termination, or 3) Recommending additional investigation prior to final determination. In cases where the Hearing Officer recommends additional investigation, at the conclusion of the additional investigation, the matter will be automatically referred to the governing body for final review and consideration.

Step 4: The supervisor or employee may appeal the decision of the Hearing Officer to the governing body in any case involving the loss of pay or benefits. Written Warnings, with no loss of pay or benefits, for example, would not be subject to the appeal process. If the Hearing Officer's decision is appealed, only the issues raised in the Hearing may be appealed (issues are not subject to modification in the appeal process). All cases in which the Hearing Officer recommends additional investigation will be automatically referred to the governing body for final disposition. The decision of the governing body shall be final and binding upon the parties.

Time Limit: The employee or supervisor may request a hearing before the governing body by filing a request within 7 calendar days of receipt of the written decision of the Hearing Officer. If not timely submitted, the grievance can no longer be addressed in the grievance procedure.

ARTICLE IV **PROCEDURE FOR GRIEVANCES CONCERNING EMPLOYEE** **WORKPLACE SAFETY**

Step 1: Any employee who personally identifies or is given information about a workplace safety issue or incident must notify their supervisor of the issue or incident as soon as reasonably practicable. All safety issues, no matter how insignificant the situation may appear to be, must be reported to the supervisor and Human Resources if not resolved by the supervisor.

Time Limit: Any workplace safety incident or issue must be reported verbally by an employee to Human Resources within 24 hours after the incident or issue was raised in order to be addressed as part of the grievance procedure.

A written report of the incident or issue, outlining the events that transpired and resolution, if any, shall be signed by all concerned parties and submitted to the

Human Resources Department for review and consideration within 7 calendar days of the incident or issue. The attached Form "C" must be completed and submitted to Human Resources to advance to Step 2 of the grievance procedure.

Step 2: After receipt of the written report, the Human Resources Department will conduct additional investigation, as required, and normally issue a final report on its findings and conclusions within 15 calendar days of receipt of the written report. Copies of the report will be given to the persons who signed the written report, as well as to the supervisor and Governing Body Chair.

Step 3: The employee or supervisor may appeal the findings and conclusions of the Human Resources Department and request the appointment of an impartial hearing officer.

Time Limit: If the employee does not submit a written grievance to the Governing Body Chair requesting a hearing before an impartial hearing officer within 7 calendar days after receipt of the Human Resources Department Report, the grievance can no longer be addressed in the grievance procedure. If timely requested, the hearing will normally be scheduled within 30 calendar days of receipt of the request for hearing. The Hearing Officer may require the parties to submit documents and witness lists in advance of the hearing in order to expedite the hearing. At the conclusion of the hearing, the Hearing Officer shall record one of three outcomes: 1) Sustaining the conclusions of the Human Resources Department, 2) Denying the conclusions of the Human Resources Department, or 3) Recommending additional investigation prior to final determination.

Step 4: The supervisor or employee may appeal the decision of the Hearing Officer to the governing body. In cases where the Hearing Officer recommends additional investigation, at the conclusion of the additional investigation, the matter will be automatically referred to the governing body. The decision of the governing body shall be final and binding upon the parties.

Time Limit: The employee or supervisor may request a hearing before the governing body by filing a request within 7 calendar days of receipt of the written decision of the Hearing Officer. If not timely submitted, the grievance can no longer be addressed in the grievance procedure.

The supervisor and grievant may mutually agree to waive time limits, in writing. If the last day on which a grievance is to be filed or a decision is to be appealed is a Saturday, Sunday or holiday as defined in the Employee Policy Manual, the time limit is the next day which is not a Saturday, Sunday or holiday.

A grievance or decision or appeal is considered timely if received during normal business hours or if postmarked by 12:00 midnight on the due date.

The supervisor and grievant may mutually agree, in writing, to waive any step to facilitate or expedite resolution of the grievance.

If the grievance is not answered within the time limits, the grievant may proceed to the next available step within 7 calendar days of the missed time limit.
