Hi All,

I met with Chris Burton last week and walked through the document and overall relationship dynamics. He is generally in approval of the terms and how things are going. Attached is what I could come up with. Im sure it needs some grammatical and legal language assistance.

Eric, If you have a chance to review and approve I would like to include this in the PI committee meeting next week weds. That means we would need a final draft approved by the end of this week. Let me know if that is realistic or not.

Thanks,
