So on Halloween we have two events going on with North Par in Manitowoc. This event is limited to 50 people for each event. In the morning we are going to do two rounds of singles in the original layout of the course. In the evening we are going to do 1 round of random draw doubles. We are doing these events to celebrate the 20th anniversary of the establishment of the course. These events are unsanctioned and 100% payout. Every player at the singles event will get a t-shirt that is donated by North Par. In order to get the t-shirt you must be registered by Oct 25th.
