You don't often get email from [ellen\\_rylander@yahoo.com](mailto:ellen_rylander@yahoo.com). [Learn why this is important](#)

I would like to throw my support behind the proposal to turn the McKinley Building into a much-needed expanded warming shelter and affordable apartments. Our community needs to actively work to provide support and services to help our vulnerable citizens. Providing shelter and affordable housing is a necessary step, and the current proposal seems like a solid plan.
