Time keeps marching on, and the time has come, to turn in My Resignation after 33 years of service to The City of Manitowoc on the M.P.U. Commission. I enjoyed the opportunity to serve on the commission and appreciated the support I received. I also appreciated the support of Mayor Dufek, Mayor Crawford, Mayor Nickles and all of the City Consuls who voted for me to the commission.

I want to thank All for that opportunity to volunteer my time and experiences.

This Resignation becomes effective on 09/30/15.

Thanking All Again;

James G. Morrow Sr.
