Subject: RE: Public Infrastructure Committee Meeting on July 5, 2018

The zoo society has approved concreting the roadway in the zoo near the deer pen to the parking lot and also will be tiling the deer pen for better drainage. Greg Minikel has the specs from Seiler. They will be funding the entire project. We will need the committees approval to go ahead with these improvements. Can you please get this on the agenda for next week.

Thanks

Subject: Public Infrastructure Committee Meeting on July 5, 2018

Alderman Kummer,

Please see the attached draft agenda for the upcoming meeting. I will be out of the office Friday, June 29th through July 4th. I would like to finalize the agenda before I leave on Thursday.

If there will be any changes, please let me know by Thursday at noon.

Thank you!
