Re: 19-0968 Request to approve playground equipment purchase and donation.

Park staff was contacted by a resident and former local business owner who was interested in donating the purchase of playground equipment. Park staff met with donor to explore his interests and develop some feasible options and budget. The donor wants to make a contribution to Schuette Park and Citizens Park.

Attached is a copy of the equipment donation budget.

I recommend the City accept this proposal for following reasons:

1. Donor credits the City of Manitowoc and its residents as being in integral part of his success and said that it is his time to "Give Back" to the community.
2. The City of Manitowoc and its residents appreciate the contributions made by donor to improve park infrastructure.
3. If approved staff will coordinate for all equipment to be purchased, delivered and installed in coordination with Citizens Park playground install this fall.
