We, as residents of Highway 42 and Fricke Drive, are requesting Fricke Inc to obtain access to the City Pit adjacent to Fricke Inc pit for the purpose of travel to and from gravel pit located at 3107 Fricke Drive Manitowoc, Wi. for the purpose of reclaiming said pit located at the end of Fricke Drive.

This request is due to the excessive amount of traffic entering/exiting the intersection of Highway 42 and Fricke Drive.

We would like to know if this option is possible. We are currently working with the Town of Newton Board to help resolve this issue.

We are very grateful for your time regarding this matter.

Thank you, Highway 42 Residents
