To whom it may concern,

My name is Seth Loberger and I am a Firefighter/Paramedic for the City of Manitowoc Fire/Department. I am writing this letter today in regards to a request for accommodation for my current residence. I began my career as a Firefighter/Paramedic at the age of 20 years old for the City of Antigo Fire Department, and after serving the City of Antigo during the initial stages of my career I made the decision to apply for my current position of Firefighter/Paramedic for the City of Manitowoc Fire Rescue Department. The decision to peruse my current position for the City of Manitowoc was based on my high regard for the City of Manitowoc Fire Department and my aspirations to return to my hometown of Luxemburg, which has allowed for more opportunities to spend time with loved ones.

In April of 2022 I was grateful to begin my position with the City of Manitowoc and I have been tremendously appreciative of my experience thus far. Since beginning my employment with the City of Manitowoc Fire Rescue Department, I have made the decision to reside with my mother and father at my childhood home in Luxemburg, WI. My current residence in Luxemburg is approximately 27.8 miles and 40 minutes from the Manitowoc city limits.

Due to the current state of the housing market and my ability to continue saving money while living at my parent's residence, I would like to make a request for accommodation with regards to the residency requirements set forth by the City of Manitowoc. This accommodation would allow me to continue to save for a mortgage and assist with setting myself up for future financial success.

Finally, I would like to thank you for your time and consideration with this accommodation, and I would encourage any form of contact with me if any questions or concerns arise.

**Sincerely,**

**Seth Loberger**
