"SHOWTIME"
 P. O. Box 1872
 Manitowish
 54221-1872
 July 7, 2016

Dear Mayor Nickels
 and Common Council Members:
 Will you be willing to support our fundraiser
 again August 10 and 11? Your backing along
 with your confidence in our committees
 ability to host the event each year since
 2004 has left all of us "on the production
 end" with a lasting sense of gratitude.
 We believe there is no venue anywhere

which is more inviting to "SHOWTIME" - and your willingness to help it happen inspired each of us year after year. Thank you all.

Last year - as pictured - our causes were the firefighters' fund to assist in the completion of the training facility at the western end of Dewey; "Pathways to A Better Life" - the rehab center in Kiel; "The Haven" homeless men's shelter; a separate training unit at United Way - Manitowish County; the Salvation Army's new teen center; the Citizen Park Recreation Center; "Healthiest Manitowish County" (based across from the Mirro property on South 15th Street), and "Painting Pathways", the walk-in day center for those with varying degrees of mental illness.

This time around we've chosen the firefighters' needs once again, along with the City's K-9 program, and the Juvenile Diabetes Research Foundation. As fundraising allows (and I'm a determined guy), we'll also back at least Special Olympics; "Relay for Life", the cancer-fighting fundraiser at Two Rivers High School each July, and C.A.S.A., the "Court-Appointed Special Advocates" unit of Lakeshore C.A.P.?

May we have your support again, please?
Tom
