Dear Mayor Nickels and Common Council Members,

I attended, through the city's streaming service, the Monday, April 19th meeting of the Common Council (thank you for providing this service). As Ms. Sulynn Moore requested in her public input, I would like to see a Library Board that is more representative of the community. I support the appointment of Aaron Erdmann and Gregg Wolf to the two positions on the board which are open as of June 1st. After hearing the remarks of Mr. Don Zimmer during the public input, I am very concerned that the Library Board and management are becoming politically focused. At your next monthly Common Council meeting, could you please review how the members of the Library Board are nominated and approved.

Thank you for your consideration of this matter.
