POSITION IDENTIFICATION

Position Title: Parks Team Leader

Division: Department of Public Infrastructure

Status: Full-Time, Hourly

Workweek: Monday – Friday, Weekends as assigned by Supervisor

SUPERVISORY RELATIONSHIPS

Reports to: Operations Division Manager

Directly Supervises: Parks Workers I & II

POSITION PURPOSE

The Park Team Leader supervises crews in the operation and maintenance of the parks department. This is a supervisory position requiring mature judgment, detailed planning ability and the ability to redirect staff as priorities change. Supervision is exercised over a number of skilled and semi- skilled laborers. This position works hand in hand with the City Forester, but has final say as to the daily parks operations. This position includes duties (including repetitive manual work) in the maintenance, operation and development of city-owned parks. The employee must be capable of hard physical labor and should have a thorough appreciation of the occupational hazards and an understanding of the appropriate safety measures required for the work. The employee must possess the ability to get along well with the public, with employees and with management. This position may assist in the removal of trees by use of a truck with extended boom, chain saw, and power driven winch. General assignments are received from a manager, but employees in this class are expected to exercise judgment in selecting work methods and in planning details. The Park Team Leader reports to and receives administrative guidance from the Operations Division Manager and Director of Public Infrastructure and is expected to carry out most duties of this position independently.
