RE: Certified Survey Approval and Street Dedication – Bay Pointe Developers II, LLC

Mayor and Council:

Attached for your review and approval is a Certified Survey Map from Bay Pointe Developers II, LLC for property located on the former Elks Golf Course property. A closing for a sale of a portion of the property is scheduled for July 1, 2019 and in order to meet the closing date the Council needs to approve the Certified Survey and accept the street rights – of – way for Bayshore Drive and an un-named street.

I recommend to Council to approve the Certified Survey and accept the dedication of the street rights-of-way as shown on the attached Certified Survey Map.

Respectfully,
Paul Braun
City Planner
