Mr. Richard Schwarz City of Manitowoc 900 Quay Street Manitowoc, WI 54220-4543

Dear Rick,

Enclosed is an application and supporting material for a proposed fixed animated billboard sign at 1037 S. 26<sup>th</sup> Street (Autowerks). The proposed sign replaces the recently removed billboard at this location and meets all of the requirements of the City of Manitowoc sign code including the following:

- The proposed sign is a single-face 12'x23' (276sqft) fixed animated billboard sign that will be mounted on a steel single-pole facing the north/east-bound traffic of Calumet Avenue.
- The location of the proposed sign is 1,109' from the nearest billboard on the same side of the same street on Calumet Avenue.
- The property is zoned C-land the sign will not face any residential district.
- The proposed sign location is approximately 40' to the ROW of S. 26<sup>th</sup> Street; approximately 100' to the ROW of Marshall Street; 35' to the property line to the north and 75' to the property line to the East. See attached site plan.
- As the proposed sign is replacing a recently removed billboard on the same parcel, it is compatible with nearby buildings and doesn't have an adverse affect on nearby properties. There will be only one billboard sign on this property.
- This fixed animated LED sign will be set to 5,000/480 nits to comply with the brightness requirements.
- The sign will be 18' to the bottom of the sign with an overall height of 30'.
- There are no other projecting or pylon signs on this property.
- o The sign structure will be a single-face sign and will not have stacked sign faces
- We would like to landscape around the pylon and offer a \$750 donation to the Park Board in lieu of additional landscaping for this property. See attached landscape plan.

I would appreciate it if this sign permit application could be placed on the March, 2014 Plan Commission Meeting agenda for consideration/approval by the Planning Commission. Please let me know if you need any additional information. Thank you for your help in this matter.

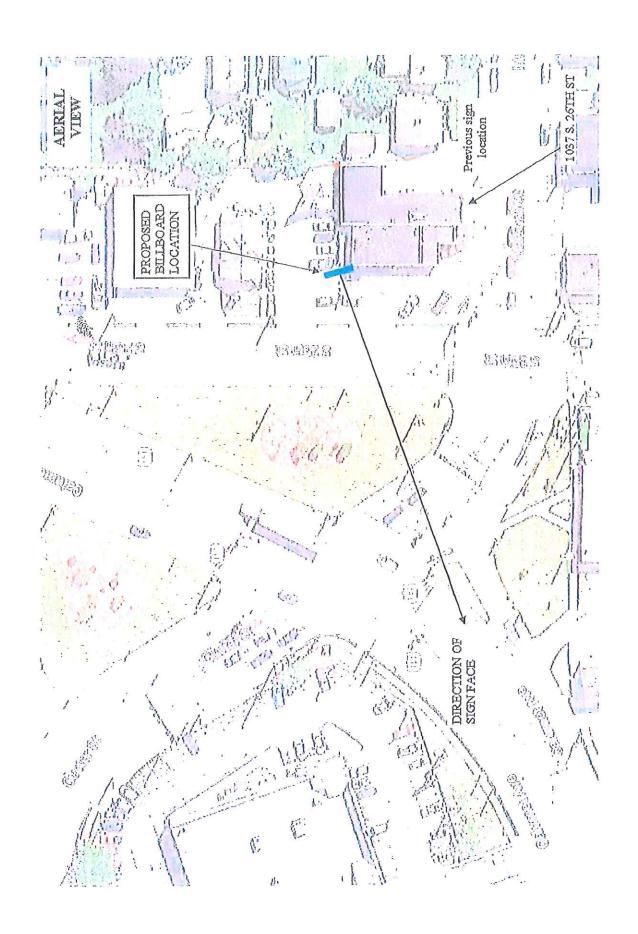

Sincerely

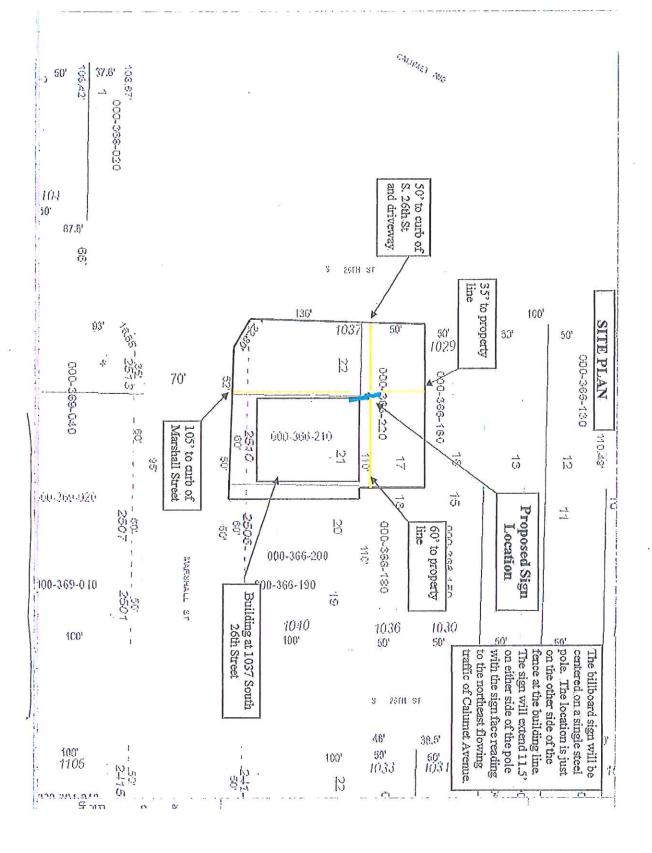

Paul Radermacher Sign Me Up!
