RE: Access Request

To Whom It May Concern:

The purpose of this letter is to serve as a request to access. I would like to formally request access to Red Fox Lane over an unimproved right of way for water, sewer & vehicle access to service my purposed new house construction. Please see attached map for location details.

Any questions or concerns feel free to contact me on my cell 920-374-0927.

Sincerely,

Brent Hansen
