Subject: **PC1-2016: City of Manitowoc Assignment of Easement Rights from Central Brown County Water Authority (CBCWA) to Nsight.**

Dear Mayor and Common Council:

At the regular January 27, 2016 meeting of the Manitowoc City Plan Commission, the Commission reviewed several requests for the partial assignment of utility easements related to the transfer of the fiber optic utility infrastructure from CBCWA to Nsight. The fiber infrastructure was installed along with the water pipeline that services CBCWA customers. When the water pipeline and fiber line was installed there were multiple locations where the City of Manitowoc granted easements to CBCWA, the easement right for the fiber optic line must be assigned by the City to NSight.

The Commission unanimously recommended that the Council: (i) authorize the assignment of the easement rights; and (ii) authorize the Mayor and Clerk to sign the assignment documents at the call of the City Attorney and Director of Public Infrastructure.

Respectfully Submitted,

Paul Braun
