Do we want to discuss this at PI? The city currently does not provide these at any parks.

Joy Krejcarek, 682-3639, stopped at the Parks Office yesterday to suggest that the Parks Division look at making or purchasing some containers for people to put their cigarette butts in at Washington Park. For example, she said that sometimes people use coffee cans with sand in. Joy volunteers with the Golden K to clean up the park, and there is always a huge amount of cigarette butts on the ground.
