I am not sure who takes care of getting this on the next agenda for the Public Infrastructure Committee, but I've attached the letter from Priscilla Schroeder requesting the refund of ½ of the disinterment fees for disinterring her two babies, Luke & Sarah Schroeder, who were buried on the same space. Last night, the Cemetery Commission recommended granting the request.

Thank you,

To Whom It May Concern,

Recently, I lost my husband and decided to move our babies, who were buried at Evergreen Cemetery, to Green Bay to be with their father. I was told that your fee would be \$500 for opening their gravesite.

When I got the final cost of your fee I was taken back that it was \$1,000. This is overpriced to me, since the babies were together in the same plot being only inches apart. One casket is 3 ½'x2'x14" and the other is only 16"x8"x6".

I would appreciate your consideration to reimburse me the difference of \$500 as it seems a fair and usual cost for one plot. Again, I am not dealing with two plots. Please call me at 920-336-9325 if you have any questions. Thank you.

Sincerely,

Priscilla Schroeder
