STATE OF WISCONSIN-

STATE BOARD OF ASSESSORS

By:

March

imothy Vipascic, Chairman

In accordance with sec. 70.995(8)(a), Wis. Stats., determinations made by the Wisconsin State Board of Assessors (BOA) may be appealed by both the taxpayer and the municipality. Appeals must be made to the Wisconsin Tax Appeals Commission within 60 days of the issuance date of the Board of Assessor Determination. The Tax Appeals Commission will contact you after receiving the appeal. If you need to confirm that there is no further appeal, the Tax Appeals Commission contact number is (608) 266-1391.

If an appeal is filed to the BOA, state statutes require you to do the following:

Assessed Value

Municipality

- If the assessed value is <u>sustained</u> no further action is required.
- If the assessed value is <u>reduced</u>, after the delivery of the equated assessment roll, change the equated assessment roll value for the appropriate year using the procedure found in sec. 70.48, Wis. Stats.
- If the assessed value is <u>increased</u>, after delivery of the equated assessment roll, the Wisconsin Department of Revenue (DOR) will add the value as omitted property on the next year's roll.

Note: When the appeal is ultimately resolved, remove the appeal pending notice from the original equated assessment roll.

Property Tax

Taxpayer

- If the assessed value is <u>sustained</u>, no further action; no change in taxes.
- If the assessed value is reduced, and your tax bill was based on the reduced assessment, no further action is required.
- If the assessed value is <u>reduced</u>, and your tax bill was based on the original assessment, sec. 70.511, Wis. Stats., applies. Send a claim for a refund of excess taxes paid plus interest, by November 1, to the municipal clerk. (If a further appeal produces an additional change, DOR will notify you of that change).
- If the assessed value is <u>increased</u>, and your tax bill was based on the original assessment, DOR will send you a Notice
 of Omitted Property Assessment (during the next assessment year) for the increase, and the municipality will bill you for
 the additional taxes on the next tax roll.

Municipality

- If the assessed value is <u>sustained</u>, no change in taxes.
- If the assessed value is <u>reduced</u>, and the tax bill was based on the original assessment, refund the taxes and interest in response to the taxpayer's claim. If the taxpayer files the claim on or before November 1, you must pay the refund by the following January 31. If taxes are refunded, the municipality may proceed under sec. 74.41, Wis. Stats., and file an "Inquiry Related to Rescinded or Refunded Taxes" (Form PC-201) with the DOR. Before you electronically submit Form PC-201 (http://www.revenue.wi.gov/forms/govtvc/pc-201.pdf), the amount of the rescinded/ refunded tax must have been \$500 or more or your tax district must have accumulated a total of at least \$5,000 of rescinded/refunded taxes which were levied for the same year. Questions regarding Form PC-201 can be emailed to loss@revenue.wi.gov.
- If the assessed value is <u>increased</u>, and the tax bill was based on the original assessment, there is no change in original taxes. DOR will provide you with an Omitted Property Assessment Notice and Roll (with the next equated assessment roll).

Interest

Municipality

- If the assessed value is reduced, and the tax bill was based on the original assessment, interest must be paid to the taxpayer per sec. 70.511(2)(b) Wis. Stats., "...Interest on the claim shall be paid to the taxpayer when the claim is paid at the average annual discount rate determined by the last auction of 6-month U.S. treasury bills before the objection per day for the period of time between the time when the tax was due and the date that the claim was paid. If the taxpayer requests a postponement of proceedings before the reviewing authority, interest on the claim shall permanently stop accruing at the date of the request. If the hearing is postponed at the request of the taxpayer, the reviewing authority shall hold a hearing on the appeal within 30 days after the postponement is requested unless the taxpayer agrees to a tonger delay. If the reviewing authority postpones the hearing without a request by the taxpayer, interest on the claim shall continue to accrue. No interest may be paid if the reviewing authority determines under s. 70.995(8)(a) that the value of the property was reduced because the taxpayer supplied false or incomplete information...". If the exception applies, it will be noted on the face of this determination.

DOR Appraiser Comments on Appellant's Evidence

• No new evidence was submitted that wasn't already considered.

Findings

- After review of the 2020 assessment, I found that Wisconsin statutes and the Wisconsin Property Assessment Manual were both followed.
- No errors were found in the assessment valuation process.
- The appellant's October 30, 2020, settlement offer was received after the 60-day supplemental period had expired. Information provided therein will be considered for 2021 assessment.
- The appellant has a prior year's assessment for the subject property pending before the Wisconsin Tax Appeals Commission.
- The following court cases support the assessor's valuation:
 - o "The party challenging the assessment has the burden of producing evidence showing the error in the assessor's valuation." Steenberg, 167 Wis 2d at 571-72, 482 N.W. 2d at 328, quoting Rosen v. City of Milwaukee, 72, Wis 653, 662-62, 242 NW. 2d 681, 684 (1976).
 - o "There is a presumption that the assessor's valuation is correct. Such valuation will not be set aside in the absence of evidence showing it to be incorrect." State ex.rel.Collins v. Brown, 225 Wis 593, 275 N.W. 455.
 - o "The burden of producing evidence to overcome this presumption is upon the person who seeks to attack the assessment and the presumption survives until it is met by credible evidence." State ex.rel.Collins v Brown, Supra.
