Good Afternoon Alderman Vanderkin –

Yes, if you recall a couple weeks ago I e-mailed asking if anyone has contacted you about this. I encouraged them to also reach out to their alders because I am certain this will be coming back to committee for a discussion on how to remedy this.

I have been in regular contact with Tanner also and updating him on what I am finding out.

I will copy you in on some e-mails going back and forth between me and staff.

Thanks.

Good Afternoon Mayor Nickels,

I have received the following email regarding the work done on Division St. I have also received a few phone calls over the past few days from constituents, who were less than pleased by the work done there. Do we have a plan of action regarding Division St. at the moment?

Thank You.

Respectfully,

Alderman Brett Vanderkin
District 1

Hello Alderperson Vanderkin!

I appreciate you and I understand that you are very busy; however, I am writing to see if you have obtained any answers as to why our driveways were replaced with raised curbing. If so, we would love to discuss this further as to determine what solutions there may be in regard to our car bottoming out when we use this new entrance as well as our safety concerns come winter time.

Thank you again for your time.

Tanner Sharpe
Debbie Nicholson
Joan Wilhelm
