Dear Mr. Gerstmeier:

The Air Management Program of the Department of Natural Resources (DNR) has performed a review of the Air Permit revocation request received on May 27, 2021. Additional information was received on July 19, 2021. You requested the revocation of the following permits because it is a requirement to be eligible to apply for coverage under a Registration Permit:

Air Permit Numbers: 00-JCH-147, 00-JCH-147-R1, 06-JJW-278, 06-JJW-278-R1, and 436123050-S14

Name of Source: GKN Sinter Metals - Manitowoc

Street Address: 5710 Vits Drive
Manitowoc, Manitowoc County, Wisconsin

The purpose of this letter is to provide written notification of the proposed revocations to the permit holder and other persons listed in s. 285.61(5)(a)2. to 5., Wis. Stats., as required by s. NR 406.11(3), Wis. Adm. Code, for construction permits and the persons listed in s. 285.62(3)(b)2. to 7., Wis. Stats., as required by s. NR 407.15, Wis. Adm. Code, for operation permits. The Air Management Program has analyzed the request for a permit revocation and has preliminarily determined that the request is approvable.

After the end of the 21-day Notification period, DNR will make the final determination on whether or not your existing permits may be revoked and continue with the Registration Permit application process. Please be advised that this is only a preliminary determination. None of your permits will be revoked until a decision on Registration Permit coverage is made.
