Subject: Dale Marquardt

Good morning,

Dale Marquardt, chairman of the town of Manitowoc, stopped at the window to discuss S. 19th Street. The town plans to repave the road and Dale noted that the property on the SW corner of Viebahn and S 19th is city owned. He wondered if we'd be willing to do the rest of the job or have their crew finish it and they would bill us so they don't have to skip over this property.

He would appreciate a call back at 920.682.3244

Thank you.
