Subject: FW: Personnel Committee Agenda Item Requests

Alders,

I'd like to request that I be able to advertise and hire Transit Drivers as needed during the current fiscal year to keep my roster at the same number as it is today. I may have an opening very soon and possibly one retirement later. My budget supports a certain number of platform hours...when I'm short a driver, I have to rely on overtime to fill some of the voids.

If granted, this request saves me time. I had a similar arrangement in 2016 that worked very well.

Thank you for your consideration.

Jim
