Good Morning Amber,

Thank you for your prompt reply! It is greatly appreciated. I am writing to you and the members of the Public Safety Committee regarding the Jackson Elementary school drop off & pick up situation. Jackson Elementary is a school where several students are able to walk, but after almost 3 years of having a daughter attend I have noticed there is a need for an evaluation to be done regarding the safety of the students during school drop off (8:20 AM - 8:40 AM) and school pick up (3:40 PM). Jackson appears to have a unique problem with car congestion as there is no official and safe place, on school grounds, to drop off children driven to school.

These are the following drop off options:

Cul-de-sac on North 17th

- This is the only spot that allows students to safely leave the vehicle and enter the playground where Jackson employees monitor the children
 - Without crossing traffic
 - without an added expense of a cross guard
- This is a road that is considered a side street and doesn't receive a ton of attention when it comes to snow removal in the winter
- This is a road that also have a ton of leaves in the fall, and leaves the street as narrow as it becomes with snow piles in the winter
- This is a road that doesn't have parking restrictions and allows people to park on both sides of the street (see attached photo)
- **North 18th Street**
 - Which requires parents to pull over before they get to school property (if they are on the east side of 18th)
 - Or, requires students to cross 18th (from the west side) and, only two available crossing guards
 - One on the corner of Menasha and 18th
 - One on the corner of Waldo and 18th
 - No cross guards available to students who's parents park adjacent to Jackson
- **Menasha Ave.**
 - Student crossing guard helpers whose parents park in the Redeemer Church parking lot
 - This requires students to cross the parking lot where teachers and support staff park
 - Most children are not visible in this situation to those pulling into and out of parking spaces

What I am asking for:

- An immediate review of parking restrictions during the school year on North 17th
 - Maybe parking is available on the east side of the street on even days and west on odd days
 - Snow and leaf removal on a more regular basis
 - Snow removal (this becomes a main street)

I am available anytime anyone would like to discuss. I also invite anyone to do a school ride along with me and my daughter, so you can see what I mean. I am available via phone (847) 857-8089 , email or in person. Our address is: 3401 Chasm Lane in Manitowoc.

Thank you for your time. I look forward to hearing from the committee soon!

Ashley Eick

Hi Ashley,

Without knowing exactly what the issue is, I would say the Public Safety Committee is who your concern should be brought to. All you would need to do is put a short letter together addressed to the Public Safety Committee with your concern in it and we can look into the issue and possible have it added to the next meeting agenda. You can email or send the letter directly to me and I can take care of sharing it with the committee. If you have any questions and you wish to speak directly to me, feel free to give me a call at 920-686-6559.

Have a wonderful day!

Amber Noworatzky | Administrative Assistant

Hi Ashley,

Thank you for your inquiry. I've cc'd the Administrative Support Specialist to the Police Chief, Amber Noworatzky, on this email so she can best assist you. Amber is familiar with what would be done in this situation and what the best course of action would be.

Thank you!

Stacey L. Groll

Hi Stacey,

I do have a question for you, not related to this committee.

Can you tell me who is the person or committee responsible for street parking rules? During school drop off and pick up, at Jackson Elementary, we are running into a major congestion issue on North 17th. I'd be happy to reach out to whomever is responsible, but don't know who that is.

Thank You!

Ashley
