Hi –

We need to add to the June 15th council meeting an item to rescind approval of the Ordinance to amend sections 15.030, 15.430, and 15.510 in the zoning code.

We need to bring that back to the next Plan Commission meeting (scheduled for June 24th) and hold a public hearing per the rules for chapter 15 changes. We will then have the Plan Commission make a new recommendation to the council – but we need to rescind our previous action first.

Scott – the Plan Commission would like you to attend the June 24th meeting to discuss these changes. Chat with Paul Braun if you have questions.

Thanks.
