Hi Paul,

I understand there are some vacancies to be filled in the Harbor Commission. I am interested in being a member of the Harbor Commission, if the city feels I could bring value to the organization.

A little background on me:

- I've lived in Manitowoc since 2008; owned a home since 2013
- I'm a construction manager at McMullen & Pitz Construction Co. (since 2008)
- I serve on the Cobia Committee at the Maritime Museum (since 2015)
- I graduated from the University of Wisconsin Platteville in 2002 with a B.S. degree in Construction Management
- I am an Eagle Scout (1995)
- I have a wife, Meggin, and two children, Kate (12), and Grant (5).

I appreciate the consideration for this position. Please let me know if there is any more information I can provide.

Thank you,

Ted Jennejohn
