

Manitowoc Common Council;

04/17/17

I'm writing this letter in regards to doing business in Manitowoc as O'Connor's Concession. This is our 32nd year of doing business in Manitowoc. We are fully insured, our Insurance carrier is Erie Ins. Co. Erie Ins. Co. sends a copy of our proof of Ins. to the City Hall.

We also pay 10% of our sales to the M.Y.B. club, and we pay 5% of our sales in the Manitowoc Parks to the Manitowoc Parks Dept.

We live in Whitelaw, Wi. We get all our gas, oil and as many supplies as we can in Manitowoc. Plus we do moast of our personal buying in Manitowoc. We also do business in Two Rivers, Reedsville and Brillon.

Question I have at this time is the new diamonds at C.P. Do they plan on having there own concessions there? Our rule for the last 32 years is, if they have a concession and it is open, we stay out. I also plan on writing a letter to Randy Heinzen (M.Y.B.) to see what there plans are.

Thank-You
