901 Jay Street

Manitowoc, WI 54220

To Whom It May Concern:

We own an eight unit apartment building at 1419 N 8th Street in Manitowoc. The majority of our residents are elderly including one who is confined to a mobility devise. A problem that has arisen this winter is that the residents have difficulty gaining access to the street from the building. When there are snow banks along the curb the only access to the street is often blocked by a vehicle. One of the major problems concerns the mail delivery person parking in that area and leaving the vehicle parked there for extended periods of time while completing his route up and down the street. When the issue was brought to the delivery person we were informed that the mail truck is allowed to park wherever the driver wishes. Even if this obstacle is removed other parties also park in front of the sidewalk and make egress impossible.

We are requesting an area (about a car length) along the curb where the sidewalk meets the curb be restricted to parking so these handicapped individuals have access to the street for cabs, handicap transportation, and for other parties to be picked up. Any solution to help remedy this problem would be appreciated. If you have any questions regarding this matter please contact Don Zimmermann (920-629-2201) or the apartment manager, Todd Wallen (920-681-0202)

Sincerely,

Don Zimmermann
