RE: Equipment Modification at  
736 Revere Dr.  
Manitowoc, WI. 54220  
ML15AL055 ("Site")

To Whom It May Concern,

This letter is to advise you that it will be necessary within the near future for Sprint ("Tenant") to make certain physical modifications to equipment within Tenant's premises at the above referenced Site. These improvements are being undertaken in order to ensure the continued technical and economic feasibility of Tenant's facility, and are needed for Tenant to make optimal use of the Site for the purposes intended by the Site Agreement. As described below, these modifications should have no significant impact on Landlord's property or operations. However, in accordance with the Lease Agreement, Tenant requests that Landlord acknowledge notice of, and consent to, the following modifications:

Adding of one (1) Samsung 2.5 cabinet (ground level); along with one (1) antenna and one (1) Remote Radio Heads.

Landlord's acknowledgment of notice and consent will not increase the size or amount of space being used by Tenant under the Site Agreement unless specifically stated above.

Please indicate your acknowledgement and consent by signing below and returning one copy of this letter to me at the address set forth below... A self addressed stamped envelope is enclosed for your convenience

Thank you in advance for your prompt attention to this matter.

Regards,
