Re: EMS RFP Billing

The City of Manitowoc received four proposals for EMS billing; that were reviewed by Steve Corbeille, City Finance Director and myself, we would make the following recommendation for your consideration.

The 2014-2017 City of Manitowoc EMS billing contract based upon our recommendation, should be awarded to LifeQuest. An excel spreadsheet is attached to this document demonstrating the analysis that was utilized in coming to this recommendation.

Please do not hesitate to contact us should you have any further questions or concerns.
