 Can we get this added to the February agenda?

- Request from Miracle League of The Lakeshore to place event advertising on park property.

Hey Chad,

Thank you for the info! It is 3 ft X 6ft. If we could put it on the agenda, that would be great. Unless you know of other public places that we could potentially hang the sign, that would be great too. Just trying to spread the word.

Also do you have any sign vendors that you use in the community for our big donor sign? I can't remember if I asked you this question or not.

Thank you!

We would need committee approval to place advertising signage on city property. It can go to PI Committee on February 6<sup>th</sup>. I would need to know how big and what it will say. Should I put it on the agenda?

Hey Chad,

Question for you--would we be able to hang up a Miracle League banner by the Miracles Park Sign on Dewey street next to the fire station? We are trying to advertise for our upcoming event on March 9th. Let me know your thoughts. Thank you!
