Mayor and Common Council,

Ivy Trails Lakeshore, located at 836 S. Eighth Street, Manitowoc, WI 54220 on the corner of Franklin and South Eighth Street is requesting sidewalk encroachment for non-farmer's market times.

Ivy Trails would use the sidewalk to put shelving with casters against the building along the Eighth Street frontage and Franklin Street frontage during the day while the store is open. The shelves would be moveable and come inside at night. In the spring and summer we will put plants outside. In the fall we would put seasonal decorations such as pumpkins out. During the holiday season we would have outdoor holiday decorating items such as boughs, wreaths, etc. We may also put out other outdoor garden items such as flags, etc. that will be colorful and eye catching and can be easily moved in and out of the building.

The racks or table would extend out from the building approximately 30 inches deep. Each one will be about 4' wide.

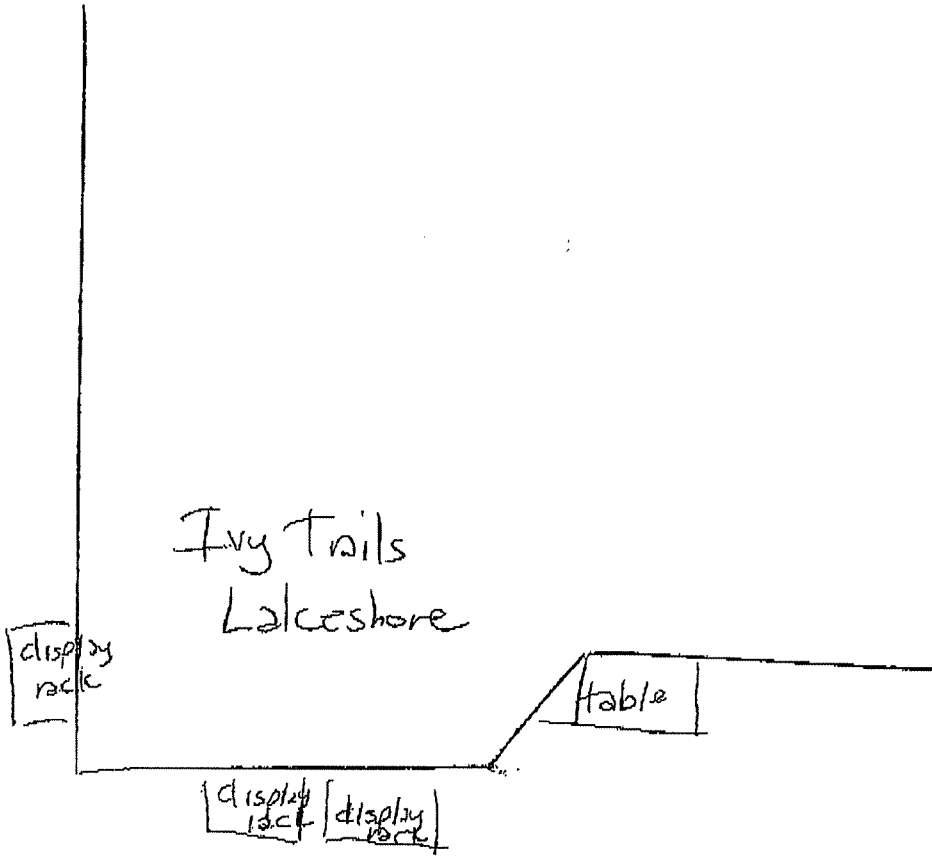

Thanks for your consideration for this request.

Sincerely,

A handwritten signature in black ink that reads "Cathy Hedge". The signature is written in a cursive style with a long, sweeping underline.
