## **6. Discussion and Action Items**

[23-1040](#)

Request for Farmer's Market to be relocated to South 8th Street (Washington Street to Quay Street)

S. Czekala said he wanted to start discussion about the possibility of the Farmer's Market to move to S. 8th Street. He was approached and wanted to hear from members and public.

Amber Daus was present and said as the former Farmer's Marketing Manager, she is excited about possibly having the market on 8th Street. She said this will benefit the vendors as the lot is running out of room. She believes the businesses will benefit from a market on the street as well. She said the market would increase foot traffic.

Scott Habermann was present and is very optimistic about moving the market.

Steve LeClair was present and was in favor of market moving as well. He said it is hot in the lot. There is no parking and the lot is running out of room as the market is growing.

Conor Benham was present and was opposed to the idea of the market moving. He said it is convenient to go in and set up early and have your truck for replenishing. He said there is plenty of downtown parking. He also mentioned monies that were collected from vendors in the market for lot improvements. This included electrical for certain vendors. He wanted to know if the businesses were contacted, if so, how they felt.

Christine Wendell, Market Manager, was present and said we have an amazing market. The market is growing and not every vendor has just one spot, some have 2-3 spots. Many vendors need electrical and bringing in extra produce would be a hassle.

T. Reckelberg asked if he could get a copy of the Farmer's Market Lot and how the spaces are mapped out. Ms. Wendell said she will get this for him.

The Committee requested that Engineering put together a plan by meeting in February. This plan should include power needs, traffic flow and space. MC is in favor of moving the market. 2 way streets we can have this discussion.

Adam Tegen was present and said it is worth looking into. The monies that were collected covered the Market manager's salary, port a pots, power, everything that runs the market. Surface needed to be improved and money was put back into the lot.

**A motion was made by Member Michael Cummings, seconded by Vice Chair Tim Boldt, for Engineering to put together a plan with measurements and bring back to the February Public Infrastructure meeting. The motion carried by the following vote:**

**Aye:** 5 - Cummings, Beeman, Czekala, Boldt and Reckelberg

[23-1038](#) Request for a Pumping Station Mural Project

**Attachments:** [23-1038 Mural Request](#)

Bob Yanda was present via zoom. He would like permission to wrap pump station with a mural. The pump station is adjacent to the Little Manitowoc Prairie and would like it to be a prairie theme.

He is looking to apply for a grant. D. Koski informed the Committee that he doesn't see an issue with this project and there is a Mural Committee that approves mural designs.

**A motion was made by Member Todd Reckelberg, seconded by Member Michael Cummings, that the Request for a pumping station mural was approved and referred to council. The motion carried by the following vote:**
