Hello Alderman Schlei,

I received a call from Tim Chase, who owns Chase Financial Services, located at 1035 South 10th Street (the old Shulander Building). He was requesting that we look into the parking on Marshall Street specifically between his driveway on Marshall and the next driveway directly to the east (the county's). He said people park in this spot and it blocks his driveway at times. I did look at the parking spot and in my opinion, there are very few vehicles that could fit in that spot without violating the 4ft. rule for parking by driveways.

With that explanation, I am requesting that this item be placed on the March 13th Public Safety Committee agenda:

Discussion and possible action on removing parking in the 900 Block of Marshall Street.

What we will be asking for specifically is the removal of parking from the northeast corner of South 10th and Marshall Streets to the east until Manitowoc County's driveway.

I am hoping to take some pictures of the area this weekend. I will send them to Amber to add to Granicus.

Thank you for your consideration.
