Dear Dr. Kumbalek,

The City of Manitowoc received a letter and flash drive from you at the March 15, 2021 Common Council meeting. At that meeting, you requested that the evidence on the flash drive you submitted be reviewed and you requested a response by April 19, 2021. You further indicated that failure to respond would result in legal action against the Mayor and Common Council, both personally and in their corporate capacities.

The flash drive you provided contained a copy of your letter, as well as a 236-page PDF alleging that the Biden administration is guilty of treason and further alleging that any government agency that does not reject all instructions from the Biden administration is violating the Constitution. The crimes alleged to have occurred in this document would be federal crimes. Neither the Mayor, Manitowoc Common Council, or my office has any authority to prosecute state or federal crimes. Federal crimes are prosecuted by the United States Attorney's Office. The Acting United States Attorney for the Eastern District of Wisconsin is Attorney Richard G. Frohling. I have copied Attorney Frohling on this letter, and will provide him with a copy of your flash drive upon his request.

Please consider this letter confirmation that the City has reviewed your letter and the materials on the flash drive, as you requested.

Best regards,

Kathleen McDaniel  
City Attorney
