Is it too late to add this? I didn't see it on there.

Hi Brad,

At our Society meeting last night the group was in favor of moving ahead with a new storage building. Denise was at the meeting and suggested that I attend a infra structure meeting that is being held on Wednesday, March 6 at 5:30 and explain to the group our plan. Are you planning on being at that meeting? We'd like to erect the building in the fenced area behind cabin 2.

Adele and I are living town for several days in the event that you're trying to reach me.

Thanks,

Doug
