Re: Letter dated August 24, 2018

Dear Ms. Noworatzky:

Recently we received notice that the Public Safety Committee received a request to remove the "2-Hour Parking" signs in the 1100 block of South 9th Street on the east and west side of the street to allow for unlimited parking.

Due to the fact that approximately one hundred people are employed by Lakeside Foods at this location and having four approaches into the parking lot, we are concerned with visibility entering and exiting the parking lot. We request that there be no parking between driveways on the east side of the road. This will ensure our employees' safety.

Sincerely,

A handwritten signature in black ink, appearing to read "DK", is written over a faint, circular, light-colored stamp or watermark.
