Subject: Thunder on the Lakeshore Hangar Party

Dear Deborah,

As you know, the airshow will be holding a hangar party on Saturday, August 16th at the airport to help raise money for the airshow. We are having a band from 7:30-11:00 that evening and are therefore requesting an extension of the noise ordinance to 11:00 pm. Please let me know if you have any questions.

Thank you very much.

Warm regards, Jutta Furca
