

Manitowoc Lutheran High School

uses its God-given gifts to help each student become thoroughly
equipped for paths of service to our Redeemer.

Dear Mayor Nickels and Common Council Members,

On behalf of Manitowoc Lutheran High School, I want to share our strong support for the reconstruction project on Lancer Circle. As the only entrance to our campus, this street is a vital route for our students, families, and staff, and improvements here will make a real difference in safety, accessibility, and the overall experience of everyone who travels it.

The condition of Lancer Circle has been a concern for many years—its rough surface and ongoing wear make travel challenging, and it is long overdue for improvements. Manitowoc Lutheran High School is proud to be part of the Manitowoc community, and we appreciate the City's efforts to invest in projects that benefit not just our school, but the neighborhood as a whole.

We do ask, however, that construction not begin until after graduation on May 30, 2026, so our students' end-of-year activities are not disrupted. Additionally, we would appreciate information on how long the project is expected to take, as this may have an impact the start of the 2026–2027 school year.

Thank you for your leadership and for considering our support and concerns as this project moves forward. We look forward to seeing the improvements and continuing to be part of a thriving community.

Thanks again and God bless.

Kevin M. Buch

Scripture Alone

**"All Scripture is God breathed and is useful for teaching,
for rebuking, for correcting, and for training in righteousness,"**
2 Timothy 3:16

Harmony. Maximizer. Significance. Consistency. Achiever.
