Jenny,

For Sept 16 Council meeting.

Attached is a resolution and 2 maps for the Ebony Avenue street vacation and official map amendment.

Per Wis Statute 66.1003 to start a street vacation process a Resolution is introduced at the Common Council. At the Sept 16th meeting all the Council has to do is refer the resolution to the Plan Commission and the Plan Commission will move forward with the required public hearings.

The language on the Council agenda could be something like the following:

“Introduce a Resolution to Vacate Ebony Avenue and Amend the Official Map.”

Feel free to revise as you wish.

Thanks.
