# MFRD Current Vessels

2006 Angler 22'

2016 Wing Inflatable 15.5'

# Manitowoc's Lake and River Corridor

- Effective maritime emergency response and security relies on seamless coordination between multiple agencies, including local law enforcement, neighboring community agencies, Coast Guard, and federal agencies.
- The requested asset will increase interoperability between multiple agencies by providing a platform to mount a cohesive response to emergency and security incidents.

- Near identical vessel as Manitowoc specification.
- Greatly enhances MFRD's maritime capabilities to respond to water emergencies in the port and outside of the breakwaters.
