Mike Zimmer in our office was talking with Mike Manring about this.

I told Mike to have Mr. Manring contact Amber about getting this issue on the next P.S. Comm. agenda.

This would require an Ordinance change if we change from one-way to two-way traffic. I do not believe that this alley width is any different than all the other alleys with two-way traffic.

I have also attached the 1957 vacation of an old alley in this area.

Thank you Amber. Will this be sufficient?

To: Public Safety Committee
From: Mike and Joleen Manning 920-901-1062

Property Address: 2108 Rankin St / 1002 N 21st St

Regarding: "Do Not Enter" sign in the alley

Issue: When a driver turns into the alley from Rankin St they encounter a "Do Not Enter" sign 100 feet into the alley which forces them to turn into our driveway and exit onto 21st St. We are concerned with the safety of our driveway and would prefer to not have any unnecessary traffic.

Possible Solution: Move the "Do Not Enter" sign so that a driver cannot enter from Rankin St. They (we) would have to enter the alley from 21st St which is already marked as "One Way".

Thank you.
